#### SUPPLEMENTARY INFORMATION:

##### Public Participation and Request for Comments

We encourage you to respond to this request by submitting comments and related materials. We will post all comments received, without change, to <http://dms.dot.gov>; they will include any personal

information you have provided. We have an agreement with DOT to use the Docket Management Facility. Please see the paragraph on DOT's ``Privacy Act Policy'' below.

Submitting comments: If you submit a comment, please include your name and address, identify the docket number [USCG-2006-26377], indicate the specific section of the document to which each comment applies, and give the reason for each comment. You may submit your comments and material by electronic means, mail, fax, or delivery to the Docket Management Facility at the address under ADDRESSES; but please submit them by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8 1/2 by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change the documents supporting this collection of information or even the underlying requirements in view of them.

Viewing Comments and Documents: To view comments, as well as documents mentioned in this notice as being available in the docket, go to <http://dms.dot.gov> at any time and conduct a simple search using the

docket number. You may also visit the Docket Management Facility in room PL-401 on the Plaza level of the Nassif Building, 400 Seventh Street SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Privacy Act: Anyone can search the electronic form of all comments received in dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review the Privacy Act Statement of DOT in the Federal Register published on April 11,

2000 (65 FR 19477), or you may visit <http://dms.dot.gov>.

#### Information Collection Request

Title: Labeling Requirements in 33 CFR parts 181 and 183 and 46 CFR 25.10-3.

OMB Control Number: 1625-0056.

Summary: Title 46 U.S.C. 4310 gives the Coast Guard the authority to require manufacturers of recreational boats and certain items of associated equipment to comply with Coast Guard regulations. Parts 181 and 183 of 33 CFR, and 46 CFR 25.10-3 contain the regulations and safety standards authorized by the statutes which apply to manufacturers of recreational boats, uninspected commercial vessels and associated equipment. The regulations and safety standards contain information collections, which require boat and associated equipment manufacturers, importers and the boating public to apply for serial numbers and to display various labels evidencing compliance.

Need: The Coast Guard needs the information required by 33 CFR parts 181 and 183 and 46 CFR 25.10-3 displayed on the labels to identify the manufacturer of each recreational boat manufactured or imported; to provide the prospective owners/operators of certain recreational boats and uninspected commercial vessels information concerning safe loading and/or safe powering information; to alert the operators of recreational boats and uninspected commercial vessels with permanently installed gasoline engines about the need to ventilate the engine compartment before starting the engine; and to ensure that associated equipment used on recreational boats and uninspected commercial vessels meets applicable Coast Guard safety standards.

Respondents: Manufacturers of recreational boats and associated equipment.

Frequency: One time per boat.

Burden Estimate: The estimated burden has increased from 385,408 hours to 395,107 hours a year.

Dated: November 17, 2006.

R. T. Hewitt,  
Rear Admiral, Assistant Commandant for Command, Control,  
Communications, Computers and Information Technology.
