This collection of information is required by law and regulation (23 U.S.C. 140a and 23 CFR Part 230) and will be used to identify patterns and trends of employment in the highway construction industry, and to determine the adequacy and impact of the FHWA's contract compliance and on-the-job training programs. Public reporting burden is estimated to average 8 hours per response, including the time for reviewing instructions searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2125-0019 expiring in March, 2010. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Federal Highway Administration, 400 Seventh Street, SW, Washington, DC 20590.
