Focus Group Questions

All Levels

How often do you visit the Student section pages?

What would you expect to find in the students area in your grade level?

What would make you visit more often?

What topics are interesting to students?

What types of articles would you like to read on the NASA site?

Where do you go for online 'NASA type' information?

What is your favorite thing to do on the Internet?

How often do you play games on the Internet?

What are your favorite websites?

5-Post Only

What types of blogs do you like to read and participate in?

Would you participate in blogs from NASA?

9-Post Only

Look at the gray navigation buttons to the left; without looking in the links, briefly explain what type of information you would expect to find when you click on these links.
