PURPOSE OF FORM

An FCC Form 473, Service Provider Annual Certification Form, is required to be submitted to the fund administrator in order for a service provider to complete the procedure for submitting an invoice form. The Form 473 must be completed by each service provider, for each separate Service Provider Identification Number (SPIN), to confirm that the invoice forms submitted by each service provider are in compliance with the FCC's rules governing the schools and libraries universal service support mechanism (Program).

Throughout these instructions, the service provider may be referred to as "you." A service provider is any provider of eligible services or products to an eligible entity – a school, school district, library, library consortium or consortia of multiple entities. A service provider must obtain a SPIN by completing FCC Form 498, Service Provider Information Form, and submitting the completed Form 498 to the Universal Service Administrative Company (USAC). For more information about SPINs, please contact the USAC's Customer Resource Center 1-888-641-8722, or access the USAC website at www.usac.org.

Universal service support will not be paid to a service provider on an approved funding commitment prior to the fund administrator's receipt of the properly completed Form 473.

FILING REQUIREMENTS AND GENERAL INSTRUCTIONS

Who must file the Form 473?

A Form 473 is required to be completed by each service provider, for each separate SPIN, to confirm that the invoices submitted by each service provider are in compliance with the FCC's rules governing Universal Service for Schools and Libraries. Service Providers are encouraged to complete and submit Form 473 as soon as they receive a FCDL which identifies one of the service provider's SPINs as providing services to an eligible school, library or consortia of those entities. A service provider is only required to file this Form once each year.
