Information Form for Agreements between or among Ocean Common Carriers

For assistance in preparing agreement data and information to complete the Information Form, please refer to the instructions contained in appendix A of 46 CFR part 535, or contact the Federal Maritime Commission, Bureau of Trade Analysis at (202) 523-5845, or tradeanalysis@fmc.gov. As provided in 46 CFR 535.501(b), the Information Form may be downloaded from the Commission's home page at <http://www.fmc.gov>. Parties to agreements subject to the Information Form requirements may complete and submit their Information Form in the Commission's prescribed electronic format, either on diskette or CD-ROM.

Use of Electronic Form

An electronic version of the Information Form has been prepared in *Microsoft Office Word 2003* ("Word") and allows filers to electronically fill out the required Information Form and submit agreement data electronically. The tables embedded in this form contain *Worksheets* in *Microsoft Office Excel 2003* ("Excel"). Although the format is slightly different, the form collects the same information and data collected by the Information Form published in appendix A of 46 CFR part 535. To open the *Worksheets*, right click on the tables, select *Worksheet Object*, and then select *Open*. The *Worksheet* will open to the main menu in Excel (if the software is installed on your computer).

The applicable data for each agreement party may be entered directly into the *Worksheet* cells in the prescribed format. Alternatively, for convenience, data or *Worksheets* from external Excel files may be copied or imported into the *Worksheet* tables contained in this form. Please ensure that the format of the data in any external Excel files fully complies with the required format prescribed in appendix A of 46 CFR part 535. For technical assistance on copying or importing Excel files, please refer to *Microsoft Excel Help*.

To add more *Worksheets* ("Tabs") within the tables, left click on *Insert* from the Excel menu bar, and select *Worksheet*. To exit the *Worksheet* tables when completed, left click on *File* from the Excel menu bar, and select "*Close & Return to Info_Form.doc*," or simply left click on the Excel *Close Button*. The table will return to the main body of the form; however, the table will still be in the active select mode and may be deleted by accident. To deactivate the select mode, left click outside the table area in the main body of the form. If a table is deleted by accident, it can be retrieved in Word. To retrieve a deleted table, left click on *Edit* from the Word menu bar, and select *Undo*. Once these steps have been completed, the table should be saved from within Word. To save the table, left click on *File* from the Word menu bar, and select *Save*.
