We are estimating Oregon production, use and price for the 2006 peppermint and spearmint crops. Response to this survey is voluntary and not required by law, but your answers to these questions are needed to ensure accurate estimates. Your report will be kept confidential by law and used only in combination with other reports to compute State totals. Please mail your report promptly in the enclosed envelope by October 14. Thank you for your help.

Please report for the farm(s) you operate in Oregon:
