The bond ensures payment of the recapture tax imposed under section 42(j). The conditions of the bond are that the principal (i.e., taxpayer):

- Does not attempt to defraud the United States of any tax under section 42(j);
- Files all returns and statements as required by law or regulations;
- Pays all taxes including any penalties and interest charges; and
- Complies with all other requirements of the law and regulations under section 42.

# **Qualifying Sureties**

The company acting as surety must hold a Certificate of Authority from the Department of the Treasury, Financial Management Service. These companies are listed in Treasury Circular 570. You may get a copy of this circular by writing to the Department of the Treasury, Financial Management Service, Surety Bond Branch, 3700 East West Hwy., Hyattsville, MD 20782, or by calling (202) 874-6850 (not a toll-free number).

A taxpayer may not be a surety for itself, nor may a member of a firm or a partner in a partnership be a surety for the firm or partnership of which he or she is a member or a partner.

# **Surety Termination**

If a surety's certificate of authority is terminated, the surety may be relieved of liability under the bond provided it notifies the principal and the IRS by the date the termination announcement is published in the Federal Register. The notice must be sent by certified mail and must state that the principal has 60 days from the date the termination announcement is published in the Federal Register to get an adequate strengthening or superseding bond with another surety listed in Treasury Circular 570. If notice is given, the principal's rights under the bond will end 60 days after the date the termination announcement is published in the Federal Register.

A qualified surety (or coinsuring surety) may terminate its liability on a bond only if the surety notifies the principal and the IRS at least 60 days before the date the surety wants to terminate its liability. The notice must state that the principal has 60 days from the termination date to obtain an adequate superseding or strengthening bond from another qualified surety (or coinsuring surety).

If the surety does not provide this notice, it remains liable for the amount posted on the bond. If the surety gives notice but does not meet the 60-day notification requirement or fails to include a termination date in the notice, the surety's liability will terminate 60 days after the postmark date on the notice.

Send the IRS copy of the notice to the Internal Revenue Service Center, Philadelphia, PA 19255.

If the principal fails to post a strengthening or superseding bond within 60 days from the date (a) the termination announcement is published in the Federal Register or (b) on which a surety's liability on a bond terminates, recapture under section 42(j) is required.

# Period of Bond

The liability stated on the bond must be for the period of years remaining in the 15-year compliance period of the building plus an additional 58 months. The compliance period begins with the tax year the building was placed in service or the succeeding tax year if the election under section 42(f)(1) is made.

# Recordkeeping

Keep a copy of this Form 8693 together with all Forms 8586, 8609, Schedule(s) A (Form 8609), and 8611 for 58 months after the 15-year compliance period ends.

#### Who Must File

Taxpayers who claimed a low-income housing credit on a residential rental building and later (in a tax year during the 15-year compliance period) disposed of the building or an ownership interest in it must file this form to avoid recapture of the credit claimed. A de minimis rule may apply to certain dispositions of interests in partnerships that own buildings in which a credit was claimed. See Rev. Rul. 90-60, 1990-2 C.B. 3, for additional information.

# **Partnerships**

Section 42(j)(5) partnerships.—Any person holding a power of attorney in a section 42(j)(5) partnership (a partnership with 35 or more partners that has not elected out of the section 42(j)(5) provisions) may post bond as principal on behalf of the partnership. A bond posted on behalf of a partnership must be posted in the partnership's name, with the name of the authorized representative of the partnership posting the bond appearing immediately below the partnership's name.

Partnerships that elected out of the section 42(j)(5) provisions or have fewer than 35 partners.—If partners in partnerships to which section 42(j)(5) does not apply want to post bond, the partners must post bond in their individual capacity as principals.

# When and Where To File

Submit the original and one copy of Form 8693 to the Internal Revenue Service Center, Philadelphia, PA 19255, within 60 days after the date of disposition of the building or interest therein. The completed form may be submitted by either the taxpayer or the surety.

When the IRS returns a copy of the approved form, attach a copy of it to your income tax return for the year in which the disposition occurred. Write "FORM 8693 ATTACHED" to the left of the entry space on your income tax return for reporting the recapture of the low-income housing credit.

# **Specific Instructions**

**Line 2. Building Identification Number (BIN).**—This is the number assigned to the building by the housing credit agency on Part I, item E, of **Form 8609**, Low-Income Housing Credit Allocation Certification.

Line 7b. Amount of Bond.—Use the worksheet below to calculate the bond amount. See Rev. Rul. 90-60 for additional information on the methodology for determining the bond amount.

If the amount is not an even multiple of \$100, increase the bond amount to the next higher multiple of \$100.

Part III. Certificate of Corporate
Principal.—If the principal is a corporation,
the authority of the person posting the bond
must be certified by the secretary of the
corporation by completing Part III. Or the
corporation may attach copies of records that
will show the authority of the officer signing if
the copies are certified by the secretary to be
true copies.

Part IV. Approval by the IRS.—The IRS will notify you of the approval or rejection of the bond. If approved, the IRS will send a copy of the approved Form 8693 to the principal shown in Part I. If rejected, the owner must recapture the allowed low-income housing credit. Use Form 8611, Recapture of Low-Income Housing Credit.

# **Worksheet for Computing Bond Amount**

# **Instructions for Worksheet**

Line 1.—Enter the total amount of the credits claimed on the building. See Part I of Forms 8586 you have filed. Include any additional credits you anticipate claiming for any period preceding the date of disposition. Do not include credit amounts previously recaptured, credit amounts for which a bond was previously posted, or credits claimed on additions to qualified basis as determined under section 42(f)(3).

Line 2. Bond Factor Amount.—Enter the bond factor amount corresponding to the month in the compliance period in which the disposition occurred and the first year of the building's credit period. The IRS announces the monthly bond factor amounts quarterly in a revenue ruling published in the Internal Revenue Bulletin.

**Line 3.**—Enter the ownership interest in the qualified low-income building that you have disposed of. Include ownership interests held both directly and indirectly (e.g., through a partnership).
