## Education Unit Data Groups

EDEN will collect data about the education units (SEAs, LEAs, and Schools) that describe the education unit or its performance, for example, whether a school made Adequate Yearly Progress (AYP).

Overall there are 34 Education Unit Data Groups for 2006-07. The remainder of this section includes a separate page for each data group.

## Staff Data Groups

EDEN Staff Data Groups will collect data about the staff in the schools or LEAs, for example, the number of special education paraprofessionals who are certified. **Note: None of the data groups in this section collects information on individual staff.**

Overall there are 14 Staff Data Groups for 2006-07. The remainder of this section includes a separate page for each data group.
