Performance Measure Category: ?

Measure Category: Needs and Service Activities

Needs Statement and 3 Year Action Plan

1. Describe the need or issue that this measure will address.

Youth from disadvantaged situations

2. Indicate what activities will be conducted to address this need.

College students will train and coordinate elementary, middle and high school students (from disadvantaged situations) in service-learning, community engagement, and college preparation activities.

3. Describe your anticipated result through the end of year three.

By the end of year three, 13000 college students and youth will have engaged in service learning and college preparedness activities to improve educational success for disadvantaged youth.
