**0575-0190**

The program area has modified the Multi-Family Housing Preservation and Revitalization Restructuring Program (MPR) Pre-Application. The 2007 MPR Demonstration Program's scoring criteria changed, thus requiring the addition questions of (g), (l), (m), and (n) on the MPR Pre-application form. Minor editorial changes were also made to allow for automated scoring of the pre-applications. This modification has no impact on the burden.
