According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control numbers for these information collections are 0579-0036 and 0579-0254. The time required to complete these information collection activities are estimated to average .1 hour per response and 6 hours per recordkeeper for 0579-0036, and .083 hours per recordkeeper for 0579-0254. These times include time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
