INDUSTRIAL SECURITY FACILITY CLEARANCE SURVEY DATA

Agency Disclosure Notice

Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Department of Defense, Washington Headquarters Services, Directorate for Information Operations and Reports (OMB NO. 0704-0427), 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with this collection of information if it does not display a currently valid OMB control number. **Please do not return your response to the above address.**

Privacy Act Statement

Authority: 50 USC, Sections 781– 887, “Internal Security Act of 1950;” Executive Order (EO) 9397, “Numbering System for Federal Accounts Relating to Individuals,” November 22, 1943; EO 10865, “Safeguarding Classified Information Within Industry,” February 20, 1960 as amended by EO 10909, January 16, 1961 and EO 11382, November 27, 1967; EO 11935, “Citizenship Requirements for Federal Employment;” EO 12333, “United States Intelligence Activities,” December 8, 1981; EO 12656, “Assignment of Emergency Preparedness Responsibilities,” November 18, 1988; EO 12829, “National Industrial Security Program,” January 6, 1993 as amended by E.O. 12885, December 14, 1993; EO 12958, “Classified National Security Information,” April 17, 1995, as amended March 25, 2003 and 5 USC Section 301, “Department Regulations.”

Principle Purpose(s): To obtain preliminary information for facility and personnel security clearance eligibility determinations. Utilized for evaluative purposes to allow access to classified information, sensitive areas, or equipment, or to permit assignment to sensitive national security positions. The data may later be used as part of a security review process to evaluate continued eligibility for access to classified information. The Social Security Number will be used to verify, identify and locate existing records.

Routine Use(s): Provided to federal, state or local government agencies if necessary to obtain information for a personnel security clearance, or making a security determination concerning retention in a sensitive position, or letting a contract. May be provided to a congressional office in response to an inquiry made at the request of the individual, or to foreign or domestic law enforcement, security, investigative, or administrative authorities to comply with domestic and/or international agreements. Provided to the Department of Justice in pending or potential litigation to which the record is pertinent. For records management purposes data may be provided to the General Services Administration; and National Archives and Records Administration. Data may also be disclosed for counterintelligence activities authorized by Federal Law or Executive Order, within and outside the DoD or the U.S. Government.

Disclosure: Voluntary; however, failure to furnish the requested information may result in our being unable to issue the contractor a Facility Security Clearance (FCL).

DEFENSE SECURITY SERVICE

INDUSTRIAL SECURITY FACILITY CLEARANCE SURVEY DATA

As a result of the initial Facility Survey DSS shall retain information pertaining to the FCL and safeguarding capability for a period of two years after termination of the FCL.
