SUBJECT: Methodological Field Test (OMB No. 0930-0261): 2007 Mental Health Module Feasibility Study

The attached materials are provided in support of our request for approval of methodological field testing under SAMHSA's generic approval for "National Survey on Drug Use and Health Methodological Field Test".

This is the 4th submission under that approval and will impose an estimated annual average total burden of 121 hours, which would bring the total currently approved burden under this clearance to 795 hours. The current total burden hours in the OMB inventory for the Methodological Field Test (OMB No. 0930-0261) is 4,886. Approval is requested by April 30, 2007 through October 31, 2007.

We look forward to receiving your feedback so that implementation may proceed.
