

**Addendum to the Supporting Statement for OMB Clearance for the SSA-91
Authorization to Release Medical Report to Physician
20 CFR 401.55 & 401.100
0960-NEW**

Form SSA-91, Authorization to Release Medical Report to Physician, is currently in use without an OMB number. This inadvertent violation of the Paperwork Reduction Act was discovered in December 2006, and this clearance package was compiled to correct the lack of an OMB number.
