

**Addendum to the Supporting Statement for OMB Clearance for SSA-104  
Claimant Travel Reimbursement Request  
20 CFR 404.999a-d  
0960-NEW**

Form SSA-104, Claimant Travel Reimbursement Request, is currently in use without an OMB number. This inadvertent violation of the Paperwork Reduction Act was discovered in December 2006, and this clearance package was compiled to correct the lack of an OMB number.
