

**U.S. Department of State National Strategic Language (NSLI)  
Intensive Summer Language Institutes 2006  
Follow-up Survey**

Hello! It has been some time since your exchange experience. We would like to ask you some questions about your participation in the National Strategic Language Institute last summer, and its impact on your life since your return home.

Your responses will be strictly confidential. The information you provide will help us design programs that better meet the needs of participants in educational programs similar to NSLI.

Please feel free to give us your honest opinions. This survey is not a test; there are no right or wrong answers. Thank you for your participation in this survey.

This survey will be administered to all NSLI Program participants. Target language is defined as the language you studied during the NSLI Program and host country is the country where the National Strategic Language Institute was located.

**Privacy Act and Paperwork Reduction Act Statements:**

The information solicited on this survey is requested pursuant to the Government Performance and Results Act of 1993 (P.L. 103-62) and the Mutual Educational and Cultural Exchange Act of 1961, as amended, also known as the Fulbright-Hays Act (22 U.S.C. 2451, et seq.). In order to ensure that the U.S. Department of State's international exchange programs meet statutory program requirements (22 U.S.C. 2460(c)), the Department's Bureau of Educational and Cultural Affairs (ECA) regularly monitors the programs, gathers data about program accomplishments, and evaluates selected ones. ECA uses the information collected to inform program design, management, and funding. All personal information that is collected through surveys is considered confidential. All responses are coded to ensure the confidentiality of individual responses. Data collected under this study will not be shared, sold, or used for fundraising purposes. Survey data and findings will be used only in an aggregate form for the express purposes of fulfilling the data needs of the outcome assessment. Responses to this survey are voluntary.

Public reporting burden for this collection of information is estimated to average twenty (20) minutes to respond to this survey, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An Agency may not conduct or sponsor, and respondents are not required to respond to, a collection of information unless it displays a valid OMB control number. Please send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to: A/ISS/DIR, U.S. Department of State, Washington, D.C. 20520.

Follow-up Survey**

1. Exchange programs provide participants with many important opportunities for learning and engaging people from other countries. In the table below, please select the **3** accomplishments that have had the most impact on your life, since your return home from the NSLI program.

<b>Accomplishments</b>	✓
Improvement of my target language skills	
Shared my experience of attending NSLI and living abroad with others	
Learned more about the culture of the region where I studied	
Shared my culture with others	
Made friends with host country students and their families	
Increased my understanding of my host country and it's society, people and culture	
Learned more about host country history - ancient to modern	
Increased awareness of the U.S. relations with my host country	
Other?	

2. Please elaborate on the impact of any of these or other accomplishments, not listed above.

4. Which of the following statements accurately reflects what methods you used to further your target language studies in the past year? *Please check "yes" if the statement accurately reflects your immediate plans and "no" if it does not.*

	<b>True</b>	<b>False</b>
I am currently enrolled in a course at my university or other academic institution in the NSLI language I studied.		
In the past year, I completed at least one language course at my university or another academic institution in the NSLI language I studied.		
In the past year I continued to learn the NSLI language I studied through private lessons or a tutor.		
In the past year, I have used self-tutoring guides, videos, books, etc. to continue studying the NSLI language I studied.		
In the past six months, I have used various media outlets (e.g., radio, television, movies, music, internet) to reinforce the language I studied at NSLI.		
In the past six months, I have read newspapers, books and/or magazines in the NSLI language I studied.		
In the past six months, I have been in contact with host country nationals I met while participating in the 2006 NSLI program.		
In the past six months, I had conversations in the NSLI language I studied with friends, instructors and/or colleagues.		
In the past year, I returned to my NSLI host country or traveled to another country where the language I studied at NSLI used to attend a language program, intern or work.		

5. Are there any suggestions you could recommend for programming to further promote students' studies in their target languages once they return home from the program?
