## Health Behavior and School Experiences Survey

This survey asks for information about your participation in school activities and your health knowledge, attitudes, and behaviors.  
Please answer all of the questions honestly.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is xxxx-xxxx (expiration date: xx/xx/xx). The time required to complete this information collection is estimated to average 1/2 hour, including the time to review instructions, search existing data resources, gather the data needed, and complete the information collection. **If you have any comments concerning the accuracy of the time estimate or suggestions for improving this form, please contact Paul Strasberg, U.S. Department of Education, Institute of Education Sciences, 555 New Jersey Avenue NW, Washington, DC 20208, paul.strasberg@ed.gov. If you have comments or concerns regarding the status of your individual submission of this form, e-mail directly to XXXXX.XXXXX.**

Personally identifiable information in this questionnaire will not be released to anyone or any organization, except as required by law.

## Health Behavior and School Experiences Survey

Thank you for taking the time to complete this survey. This survey is very important because it will help the U.S. Department of Education and schools understand student participation in school activities and attitudes toward school and substance use. The survey has questions about your school, your family, and your attitudes and experiences with alcohol and other drugs.

Your answers to all of the questions are will be kept *confidential*. Neither school staff, your parents, nor anyone else outside the study team will see your answers to any questions on this form. *This survey is completely voluntary*. You may skip any question and you may stop at any time. *There will be no negative consequences related to your answers on this survey*. Some of the questions are personal and some students may find them upsetting. You will be given a list of numbers to call if you want to talk to someone about the survey or feelings it brings up. *Please read the instructions below before starting.*

### Instructions—Please Follow Carefully

Please Answer the Questions Honestly and Return Your Completed Survey to the Researcher Who Gave it to You.

→ **DO NOT WRITE YOUR NAME ANYWHERE ON THIS SURVEY.**

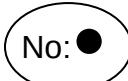

→ Use only a blue (preferred) or black pen.

→ Mark only one circle for each question, unless the question says otherwise.

→ Make your marks dark, like this: ●

Incorrect way to fill in circles: 

→ If you fill in the wrong circle, go ahead and fill in the corrected (right) answer, and circle it.

Example:    Yes: ●     No: ●

(In this example, “no” is the correct answer; the student accidentally filled out the “yes” circle).
