Total Direct Beneficiaries of the program:
 Total Indirect Beneficiaries of the program:
 Total Beneficiaries (direct and indirect) of the program:
 Anticipated Project completion date (month and year):

Progress Indicators	Current Base Line	Target Goals
Objective 1: Access, entry and continuation--Achieve higher enrollment and attendance rates, with an emphasis on girls, through monthly take-home rations, (or breakfast, snacks, lunch daily).		
1.1 Percent increase in enrollment - boys		
1.2 Percent increase in enrollment - girls		
1.3 Percent increase in attendance boys		
1.4 Percent increase in attendance girls		
Objective 2: Educational Progress-- Improve student achievement levels through improvements in the learning environment/conditions including teacher training, materials and books, etc.		
2.1 Cohort survival to grade 5. The percentage of boys and girls entering grade 1 of primary school who reach grade 5 (multi-year agreements)		
2.2 Promotion rate. The percentage of children enrolled in a given year who are promoted to the next grade at the end of the year.		
2.3 Continuation rate. The percentage of children enrolled in a given year who continue to enroll in the next year, whether or not they are promoted.		
2.4 Percent of targeted schools with adequate school supplies (pencils, paper, chalk, etc.)		
2.5 Percent of targeted schools with printed materials to support literacy and numeracy instruction.		
2.6 Percent of teachers receiving training		
Objective 3: Nutrition and Maternal Child Health Progress-Improve maternal, child and student health and nutrition		

3.1	Number of take-home rations distributed		
3.2	Number of daily meals (breakfast, snacks, lunch) provided		
3.3	Percent of participating schools implementing health and nutrition education for students		
3.4	Percent of participating schools with established prophylactic programs such as de-worming , vitamin A supplements, HIV/AIDS, etc.		
3.5	Percent of participating schools with established health care provider visits to the schools including preschools		
3.6	Percent of mother and child health clinics supported		
3.7	Percentage of children on-target with age-to-weight and height growth.		
Objective 4: Other donor support - Partner relations---Linkages to other development activities			
4.1	Number of other donor contributing to ancillary projects or complementary activities (e.g., school infrastructure, immunization program, etc.)		
4.2	Dollar amount of donor contributions		
4.3	Percent of cost sharing		
4.4	Percent of donor support		
4.5	Organization's independent contribution		
Objective 5: Community Development -Infrastructure and community support			
5.1	Percent of schools where parents provide a defined level of input (e.g. fuel; cooking implements; condiments; ingredients; fresh fruits and vegetables; labor for school repairs, storage and transportation, cooking places; funds for school supplies, etc.)		
5.2	Percent of schools with parent groups (associations or councils) that play a defined role in program management (e.g. provision of local transportation, management of incentive structure.)		
5.3	Number of complementary programs, e.g. develop school gardens, energy-fuel, etc.		
5.4	Number of potable water treatment and sanitation projects-build/repair community water systems		
5.5	Number of latrine and/or kitchen repairs and constructions		
5.6	Number of nutrition and health education classes in community for adults		
Objective 6: Graduation/Sustainability			
6.1	Percent of schools transitioning into PTA/Govt supported feeding program		
6.2	Number of training sessions for capacity building of indigenous organizations to assist in the establishment of school feeding or education programs		
6.3	Percent of government increased support to education sector		
6.4	Percent of donor support vs percent of indigenous support
