## modify Commodity access

- US-AID and FAS if the Request is currently at their processing site.
- Sponsors, PDD, EOD, and BCD, as Commodity Request Originator if the Request is currently at the Originator's processing site.

- **Commodity** - Replacement Commodity selection is restricted to Commodities approved for the program on the Request Header.

- Use the **Select** check box to select a single or multiple preferable Commodities from the Table.

- **Country** - Displays the Country funding the Commodity Delivery.

- **Delivery Point** - Displays the Destination Country (point of delivery) where the Steamship Line relinquishes possession of the Commodity.

Commodity	Country	Delivery Point	Request Quantity (MT)	BLBD Req?
BEANS - NAVY (PEA), 50 KG	PREP	UNKNOWN	8200	<input type="checkbox"/>

Commodity	Country	Delivery Point	Request Quantity (MT)	BLBD Req?
BEANS - NAVY (PEA), 50 KG	PREP	UNKNOWN	8200	<input checked="" type="checkbox"/>

Commodity	Country	Delivery Point	Request Quantity (MT)	BLBD Req?
BEANS - NAVY (PEA), 50 KG	PREP	UNKNOWN	8200	<input checked="" type="checkbox"/>

Commodity	Country	Delivery Point	Request Quantity (MT)	BD Req?
BEANS - NAVY (PEA) 50 KG	PREP	UNKNOWN	6200	<input type="checkbox"/>

Commodity	Country	Delivery Point	Request Quant	BUBD Req?
BEANS - NAVY (PEA) 50 KG	PREP	UNKNOWN	6200	<input checked="" type="checkbox"/>

- **Request Quantity**
- Enter a new Requested Quantity in the Requested Quantity text box.
- The Quantity must be in metric tons (MT).
- The Quantity must be in multiples of ten.
- The Quantity must be a numeric value greater than zero.
- **BUBD Req?** Indicator for **Best Used By Date** for the selected Commodity.
- **Substitutable Commodity** - If a Generic Commodity is selected from the COMMODITY drop-down list, a Substitutable Commodity Table is displayed.
- Only Generic and Substitutable Commodities matching the Program Type are available in the Commodity drop-down list.
- Only the Substitutables that match the program type are displayed in the Table.
- **Select** - At least one Substitutable Commodity must be selected from the Substitutable Commodity Table.

Commodity	Country	Delivery Point	Request Quantity (MT)	BUBD Req?
WHEAT, 50 KG	ALGERI	ALGIERS	50	<input checked="" type="checkbox"/>
<b>The final purchased product(s) might not include all selected substitutables</b>				
<b>Select</b>	<b>Substitutable Commodity</b>			
<input type="checkbox"/>	PEAS - YELLOW SPLIT, 50 KG			
<b>Select</b>	<b>Commodity Specifications</b>			
Enter any applicable Commodity Specifications in this Text Box.				
<b>Select</b>	<b>Substitutable Commodity</b>
