modify co-sponsor

The Modify Co-Sponsor (MFRC154D) page is accessed by selecting **Modify Request** from the Main menu, then selecting **Modify Co-Sponsor**. Use the Modify Co-Sponsor page to change the Address Type for a Sponsor associated with a Commodity Request. The page displays all Address Types for the Sponsor selected on the Co-Sponsor List page.

- Sponsors, US-AID, and FAS can modify Co-Sponsors if the Request is currently at their processing site.
- PDD, EOD, and BCD can modify Co-Sponsors, if the Request is currently at their processing site, and they are the originator of the Request.
- Again, **Update** must be clicked to save the Updated information to the screen.
