HOW TO FILL OUT THE PUERTO RICO COMMUNITY SURVEY FORM

Please mark the category or categories as they apply to your household. Some questions ask you to print the information. See **Examples** below.

Make sure you answer questions for each person in this household. If anyone in the household, such as a roomer or boarder, does not want to give you his or her personal information, print at least the person's name and answer questions 1 and 3. **An interviewer will telephone to get the information from that person.**

There may be a question you cannot answer exactly. For example, you may not know the age of an elderly person or the price for which your house would sell. Ask someone else in your household; if no one knows, give your best estimate.

Follow the steps through the questionnaire and read the instructions. Instructions for completing the individual questions begin on **page 5** of this guide. These instructions will help you understand the questions and to answer them correctly. If you need assistance, call **1-800-717-7381**. The telephone call is free.

INSTRUCTIONS FOR THE SURVEY QUESTIONS

List the name of each person who lives at this address. If you are not sure if you should list a person, see the guidelines on the front page of the form. If you are still not sure, call **1-800-717-7381** for help.

In the space labeled **Person 1**, print the name of the household member living or staying here in whose name the house or apartment is owned, being bought, or rented.

If there is no such person, any adult household member can be **Person 1**.

If there are more than 5 people in your household, please provide the name of each additional person on page 4, you should also provide this person's sex and age. Complete this form for the first five people listed on pages 2, 3, and 4, and mail it back in the enclosed envelope as soon as possible. An interviewer may telephone to obtain the information for the additional persons.

ANSWER PERSON QUESTIONS 1 THROUGH 6 FOR THE FIRST FIVE PEOPLE LISTED ON PAGES 2, 3, AND 4 OF THE QUESTIONNAIRE.

2. If the person is related to Person 1 by birth, marriage, or adoption, but is not the **Husband or wife, Biological son or daughter, Adopted son or daughter, Stepson or stepdaughter, Brother or sister, Father or mother, Grandchild, Parent-in-law, Son-in-law or daughter-in-law**, of Person 1, mark the **"Other relative"** box. Therefore, a niece or nephew of person 1 would be categorized as **"Other relative."**

If a person is **not** related to Person 1, mark the applicable box. A **"Roomer or boarder"** is someone renting a room/space in the house. A **"Housemate or roommate"** is someone sharing the house/apartment (but who is not romantically involved) with Person 1. An **"Unmarried partner,"** also known as a domestic partner, is a person who shares a close personal relationship with Person 1. Mark the **"Other nonrelative"** box for a foster child or foster adult, that is someone who is involved in the formal foster care system. For all other people who are not related to person 1 mark **"Other nonrelative"**.

3. Mark one box to indicate whether the person is male or female.
4. For each person, print the age at last birthday (print "0" for babies less than 1 year old). Also print the month, day, and year of birth.
5. Please answer BOTH Question 5 about Hispanic origin and Question 6 about race. For this survey Hispanic origins are not races. A person is of Hispanic, Latino, or Spanish origin if the person's origin (ancestry) is Mexican, Mexican American, Chicano, Puerto Rican, Cuban, Argentinean, Colombian, Costa Rican, Dominican, Ecuadoran, Guatemalan, Honduran, Nicaraguan, Peruvian, Salvadoran, from other Spanish-speaking countries of the Caribbean or Central or South America, or from Spain.

The term **Mexican Am.** refers to persons of Mexican-American origin or ancestry.

If you mark the **"Yes, another Hispanic, Latino, or Spanish origin"** box, print the name of the specific group.

If a person is not of Hispanic, Latino, or Spanish origin, answer this question by marking the **"No, not of Hispanic, Latino, or Spanish origin"** box.

This question should be answered for **ALL** persons regardless of citizenship status.

6. Please answer BOTH question 5 about Hispanic origin and Question 6 about race. For this survey Hispanic origins are not races. Mark one or more categories to indicate what each person considers himself or herself to be.

This question should be answered for **ALL** persons, regardless of citizenship status.

ANSWER HOUSING QUESTIONS 1 THROUGH 25 FOR THE ADDRESS ON THE MAILING LABEL.

1. Mark only one category.

Count both occupied and vacant apartments in the house or building. Do not count stores or office space.

Detached means there is open space on all sides, or the house is joined only to a shed or garage. *Attached* means that the house is joined to another house or building by at least one wall that goes from ground to roof. An example of **A one-family house attached to one or more houses** is a house in a row of houses attached to one another, sometimes referred to as a townhouse.

A mobile home that has had one or more rooms added or built onto it should be considered as **A one-family house detached from any other house**. If only a porch or shed has been added to a mobile home, it should be considered as a mobile home. Towable RVs, such as travel trailers or fifth-wheel trailers, should be considered as **A mobile home**. Self-propelling RVs or motorhomes should be considered as a **Boat, RV, van, etc.**

2. Mark the box that corresponds to the year in which the original construction was completed, not the time of any later remodeling, additions, or conversions.

If the building was first built in 2000 or later, enter the exact year it was built.

If you live on a boat or in a mobile home, enter the year corresponding to the model year in which it was manufactured.

If you do not know the year the building was first built, enter your best estimate.

3. Enter the month and year that **Person 1** listed on page 2 last moved into this house, apartment, or mobile home.

4. Complete this question only if you live in a one-family house or in a mobile home; include only land that you own or rent.

The number of acres is the acreage on which the house or mobile home is located; include adjoining land you rent for your use.

5. Complete this item only if this one-family house or mobile home is on 1 or more acres of land.
6. Complete this question only if you live in a one-family house or mobile home. A business, such as a grocery store or barber shop, is easily recognized from the outside and usually has a separate entrance. A medical office is a doctor's or dentist's office regularly visited by patients.
- 7a. Count rooms in your house, apartment, or mobile home separated by built-in archways or walls that extend out six inches, go from floor to ceiling, and are used for living purposes, such as living rooms, dining rooms, kitchens, bedrooms, finished recreation rooms, family rooms, etc. **DO NOT** count bathrooms, kitchenettes, strip or pullman kitchens, utility rooms, foyers, halls, porches, balconies, unfinished attics, unfinished basements, or other unfinished space used for storage.
- 7b. Include all rooms intended to be used as bedrooms in this house, apartment, or mobile home, even if they are currently being used for other purposes.
- Print **"0"** for an efficiency or studio apartment that does not have a separate bedroom. Your response to this question (7b) should be smaller than the number of rooms reported in question 7a.
- 8a. Mark **"Yes"** to **"hot and cold running water"** even if the unit has hot water only part of the time.
- 8d. Mark **"Yes"** to **"sink with a faucet"** if the sink is inside the house, apartment or mobile home and the water can be turned on and off with a faucet.
- 8e. Mark **"Yes"** to **"a stove or range"** if the stove or range is inside the house, apartment or mobile home. Portable cooking equipment is not considered a stove or range.
- 8g. Mark **"Yes"** to **"telephone service ..."** if (1) there is a telephone in working order, and someone receives service at this house, apartment, or mobile home; or (2) if someone has a cell phone from which you can both make and receive calls. If service has been discontinued because of nonpayment or any other reason, mark the **"No"** box.
9. Include company cars, vans or SUVs (including police cars and taxicabs) and company trucks of one-ton (2,000 pounds) capacity or less that are regularly kept at home and used by household members for nonbusiness purposes. **DO NOT** count (1) cars or trucks permanently out of working order, or (2) motorcycles or other recreational vehicles.
10. Mark the ONE category for the fuel used most to heat this house, apartment, or mobile home. In buildings containing more than one apartment, you may obtain this information from the owner, manager, or janitor.

Solar energy is provided by a system that collects, stores, and distributes heat from the sun. **Other fuel** includes any fuel not listed separately, such as purchased steam, fuel briquettes, and waste material.

11a-11d.

If your house, apartment, or mobile home is rented, enter the costs for utilities and fuels **only if you pay for them in addition to the monthly rent.**

If you live in a condominium, enter the costs for utilities and fuels **only if you pay for them in addition to your condominium fee.**

If your fuel and utility costs are included in your rent or condominium fee, mark the **"Included in rent or in condominium fee"** box. **DO NOT** enter any dollar amounts.

For items **11a** and **11b**, report last month's costs. For items **11c** and **11d**, report total costs for the past 12 months.

Estimate as closely as possible if you do not know exact costs. If you have lived in this house, apartment, or mobile home less than one year, estimate the costs for the past 12 months in **11c** and **11d**.

Report amounts even if your bills are unpaid or paid by someone else. If the bills include utilities or fuel used also by another apartment or a business establishment, estimate the amounts for your house or apartment only. If gas and electricity are billed together, enter the combined amount in **11a** and mark the **"Included in electricity payment entered above"** box in item **11b**.

- 13.** A *condominium* is housing in which the apartments, houses, or mobile homes in a building or development are individually owned, but the common areas, such as lobbies and halls, are jointly owned. Occupants of a cooperative should mark the **"No"** box.

A *condominium fee* is normally assessed by the condominium owners' association for the purpose of improving and maintaining the common areas. Enter a monthly amount even if it is unpaid or paid by someone else. If the amount is paid on some other periodic basis, see the instruction for question **15a** on how to change it to a monthly amount.

- 14.** Housing is owned if the owner or co-owner lives in it.

If the house, apartment, or mobile home is mortgaged or there is a contract to purchase, mark the **"Owned by you or someone in this household with a mortgage or loan? Include home equity loans."** box. If there is no mortgage or other debt, mark the **"Owned by you or someone in this household free and clear (without a mortgage or loan)?"** box. If the house, apartment, or mobile home is owned but the land is rented, mark one of the "owned" categories. If the mobile home is owned without an installment loan, but there is a mortgage on the land, mark the **"Owned by you or someone in this household with a mortgage or loan? Include home equity loans."** box.

If any money rent is paid, even if the rent is paid by people who are not members of your household, or paid by a Federal, state, or local government agency, mark the **"Rented?"** box.

If the unit **is not** owned or being bought by the occupants and if money rent **is not** paid or contracted, mark the **"Occupied without payment of cash rent?"** box. The unit may be owned by friends or relatives who live elsewhere and who allow you to occupy this house, apartment, or mobile home without charge. A house or apartment may be provided as part of wages or salary. Examples are: caretaker's or janitor's house or apartment; parsonages; tenant farmer or sharecropper houses for which the occupants do not pay rent; or military housing.

- 15a.** Report the rent agreed to or contracted for, even if the rent for your house, apartment, or mobile home is unpaid or paid by someone else.

	Multiply		Divide
If rent is paid:	rent by:	If rent is paid:	rent by:
By the day	30	4 times a year	3
By the week	4	2 times a year	6
Every other week	2	Once a year	12

- 15b.** If meals are included in the monthly rent payment, or you must contract for meals or a meal plan in order to live in this house, apartment, or mobile home, mark the "Yes" box.

ANSWER HOUSING QUESTIONS 16 THROUGH 21 IF YOU OR ANY MEMBER OF THIS HOUSEHOLD OWNS OR IS BUYING THIS HOUSE.

- 16.** Enter your best estimate of the value of the property; that is, how much you think the property would sell for if it were on the market. If this is a house, include the value of the house, the land it is on, and any other structures on the same property. If the house is owned but the land is rented, estimate the combined value of the house and the land. If this is a condominium unit, estimate the value for the condominium, including your share of the common elements. If this is a mobile home, include the value of the mobile home **and the value of the land only if you own the land.**

- If this is a mobile home, report payments on installment loans but **do not** include personal property taxes, site rent, registration fees, and license fees on the mobile home and site. Report these fees in item **21**.
- 20a.** A second mortgage or home equity loan is also secured by real estate. You must have a first mortgage in order to have a second mortgage. You may have a home equity loan and other mortgages on the property or the home equity loan may be the only mortgage.
- 20b.** Enter a monthly amount even if it is unpaid or paid by someone else. If the amount is paid on some other periodic basis, see instructions for **15a** to change it to a monthly amount. Include payments on all second or junior mortgages or home equity loans.

What the Survey Is About --

Some Questions and Answers

Why are we taking a survey?

The Census Bureau is conducting the Puerto Rico Community Survey to provide more timely data than data we typically collect only once every 10 years during the decennial census.

What does the Census Bureau do with the information you provide?

The Puerto Rico Community Survey will be the source of summarized data that we make available to federal, Puerto Rico, and local governments, and also to the public. The data will enable your community leaders from government, business, and non-profit organizations to plan more effectively.

How was this address selected?

Your address was scientifically selected to represent a cross section of other households in your community. Households in the sample are required to complete the survey form. Please return it in the postage-paid envelope as soon as possible.

Why the Census Bureau Asks Certain Questions --

Here are reasons we ask some of the questions on the survey.

Name

Names help make sure that everyone in a household is included on the List of Residents, but that no one is listed twice.

Value or rent

Government and planning agencies use answers to these questions in combination with other information to develop housing programs to meet the needs of people at different economic levels.

Plumbing and Kitchen facilities

This question helps provide information on the quality of housing. The data are used with other statistics to show how the "level of living" compares in various areas and how it changes over time.

Place of birth

This question provides information used to study long-term trends about where people move and to study migration patterns and differences in growth patterns.

Job

Answers to the questions about the jobs people hold provide information on the extent and types of employment in different areas of Puerto Rico. From this information, communities can develop training programs, and business and local governments can determine the need for new employment opportunities.

Income

Income helps determine how well families or persons live. Income information makes it possible to compare the economic levels of different areas, and how economic levels for a community change over time. Funding for many government programs is based on the answers to these questions.

Education

Responses to the education questions in the survey help to determine the number of public schools, education programs, and daycare services required in a community.

Disability

Questions about disability provide the means to allocate Federal funding for healthcare services and new hospitals in many communities.

Journey to work

Answers to these questions help communities plan road improvements, develop public transportation services, and design programs to ease traffic problems.
