The information requested on this form is authorized under Sections 202(e), (f) and (q)(3) of the Social Security Act (42 U.S.C. 402 (e), (f) and (q)(3)). The information requested on the form will be used to determine whether you may be eligible to receive reduced benefits as a widow(er) or a surviving divorced spouse. Your response to these questions is voluntary; however, the Social Security Administration (SSA) cannot review the decision and make a determination about eligibility for payment of reduced benefits on this claim unless the information is furnished. While the information you furnish on this form would almost never be used for any purpose other than making a determination about your disability, such information may be disclosed by SSA as generally permitted under 5 U.S.C. § 552a of the Privacy Act of 1974, as amended. This includes using the information as necessary for administrative purposes or as authorized by routine uses in the applicable Privacy Act system of records. For example, SSA may disclose information to other agencies such as the General Services Administration or the National Archives and Records Administration to comply with Federal Laws requiring the release of information from our records.

Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows SSA to do this even if you do not agree to it.

Explanations about possible reasons why information you provide us may be used or provided to other agencies are available upon request from any Social Security office.
