- If any person signing this form is acting in a fiduciary capacity, failure to provide legal evidence may delay processing.
- This form will not be accepted with alterations or corrections.
- **Pages 1 and 2 must be on a single sheet of paper, front to back. Therefore, if you are printing the form from the Internet, print it double-sided or photocopy page 2 onto the back of page 1 before you sign the form. Transactions received with separate pages 1 and 2 will be rejected.**

COMPLETION OF FORM – Print clearly in ink or type all information requested.

ITEM 1. *TreasuryDirect* ACCOUNT INFORMATION

Provide your *TreasuryDirect* Account Number. Your *TreasuryDirect* Account Number is shown on your *Statement of Account*, immediately above the Account Holdings section. Provide the name(s) under which the account is registered; this is shown in the address block of your *Statement of Account*.

ITEM 2. SECURITIES IDENTIFICATION AND AMOUNT

Check the box that applies and provide the information requested. ALL REQUIRED INFORMATION IS LISTED ON YOUR *TreasuryDirect* STATEMENT OF ACCOUNT.

- ✓ Check the first box to transfer and sell **ALL** of the securities in your *TreasuryDirect* account.
- ✓ Check the second box to transfer and sell one or more securities (but not all) of the securities in your *TreasuryDirect* account. List the CUSIP number(s) and amount of the securities to be transferred (in \$1,000 increments), as indicated below:
 - CUSIP – The number (i.e., 912798XXX) that identifies the securities to be transferred (located under the heading "SECURITY" on your *Statement of Account*).
 - AMOUNT – The total dollar amount (at par) to be transferred.
- ✓ Check the third box to transfer and sell a portion of one security in your *TreasuryDirect* Account. Enter only the amount being transferred (in \$1,000 increments) and list the CUSIP number. To transfer and sell a portion of a security listed in a sub-account, enter the sub-account number(s) and dollar amount(s) to be transferred and sold. **NOTE: The amount to be transferred and sold and the amount remaining in the CUSIP must satisfy both the minimum and multiple holding requirements for the security.**

If you list a Matured CUSIP Number that has been re-invested, or is within 10 days of reinvestment, FRB Chicago will transfer and sell the current or the new CUSIP number and indicated dollar amount.

ITEM 3. TRANSFER AND SALE AUTHORIZATION

Please carefully read this section before signing the form as it describes the nature of the transaction authorized.

You are transferring the identified securities to FRB Chicago for the sole purpose of having the securities sold. You are authorizing the identified securities, once transferred, to be sold by FRB Chicago. A transaction fee will be charged (see **FEES** for further information). Because FRB Chicago enters into an agreement to sell the securities on the same day that it receives the securities, the authorization for the sale and transfer of the securities becomes irrevocable when the transfer from your *TreasuryDirect* account to the account of FRB Chicago is made. FRB Chicago will make a reasonable effort to obtain a price quote from at least three (3) government securities dealers and will sell the securities to the dealer with the highest price quote for next day settlement. You agree to accept the price received by FRB Chicago from the dealer selected as having the highest price quote. On the next full business day after the trade date, the settlement amount will be released electronically by FRB Chicago to the account at the financial institution currently designated to receive your *TreasuryDirect* payments. The Treasury Department and FRB Chicago will not be liable for changes in market conditions affecting the price received for the securities or for any loss which you may incur as a result of the transaction or the inability of FRB Chicago to complete the transaction.

In the event FRB Chicago is unable to obtain at least one quote for the securities, the securities will be returned to your *TreasuryDirect* account on the next full business day following the receipt of the securities by FRB Chicago, and FRB Chicago will notify you. No transaction fee will be charged.

ITEM 4. SIGNATURES AND CERTIFICATION

SIGNATURES – The owner named on the *TreasuryDirect* account, his/her authorized representative, or the person entitled to the account must sign the form in ink, and provide his/her title (if applicable), home address, and daytime telephone number. ***If there are two owners joined by the word "and," both must sign this form.*** The signature(s) to this form must be certified.

CERTIFICATION – Each person whose signature is required must appear before and establish identification to the satisfaction of an authorized certifying officer and sign the form in the officer's presence. The certifying officer must fully complete the certification form(s) provided and affix the seal or stamp which is used when certifying requests for payment. Brokers must use a Medallion Stamp (original signature is required).

Authorized certifying officers include authorized employees of insured depository institutions and corporate central credit unions. For a complete list of such officers see Department of the Treasury Circular No. 300, 31CFR Part 315.

Please note that certification by a notary public is NOT acceptable and that certification cannot be detached from the disposition request.

Pages 1 and 2 of this form must be on a single sheet of paper, front and back. Therefore, if you are printing the form from the Internet, print it double-sided or photocopy page 2 onto the back of page 1 before you sign the form. Transactions received with separate pages 1 and 2 will be rejected.

FEES – A transaction fee for the service will be charged for ***each*** security sold on your behalf. (A security is considered as any amount within a *TreasuryDirect* account which is identified by a separate CUSIP number.) The FRB Chicago will deduct the fee prior to depositing the settlement amount (also referred to as "net amount") to the account at the financial institution currently designated to receive your *TreasuryDirect* payments. The amount of the fee is published by notice in the Federal Register. Call *TreasuryDirect* for the current fee (see **CONTACT** below).

SETTLEMENT AMOUNT – The settlement amount (also referred to as "net amount") minus the transaction fee, will be credited by direct deposit (electronic funds transfer) to the account at the financial institution currently designated to receive your *TreasuryDirect* payments.
