Attached is a marked up draft that can be used to develop any necessary Work Requests for the 2008 processing year. The major changes are as follows:

Based on a request from LMSB we will change the Form 8916-A to a three-part form by making the existing Cost of Goods Sold schedule Part I, and adding Part II Interest Income and Part III Interest Expense.

Also, we changed the title of the form to "Supplemental Attachment to Schedule M-3" to correspond to the change in the purpose of the form.

| This Notification is for changes due to: |
