

Did you forget about us?

Regional Education Laboratories-Northwest recently sent you a needs assessment survey asking you to help us identify the priority needs for schools in your state. As an educator, you are in the best position to know what your needs are.

If you have already completed and returned the survey, THANK YOU! If you haven't completed the survey, please do so today. Your comments are an integral part of this study. We realize your time is valuable, but we encourage you to please take a few minutes to share your knowledge with us and return the survey with your comments.

Responses to this data collection will be used only for statistical purposes to summarize findings across the sample and will not associate
