**PRIVACY ACT NOTICE**

This information collection provides the following assurance of confidentiality to respondents, under the Freedom of Information Act (5 U.S.C. 552):

“Patentable ideas, trade secrets, proprietary, or confidential commercial or financial information, disclosure of which may harm the applicant, should be included in an Application only when such information is necessary to convey an understanding of the proposed project. The use and disclosure of such data may be restricted, provided the applicant includes the following legend on the first page of the project narrative and specifies the pages of the Application which are to be restricted:

‘The data contained in pages \_\_\_\_\_ of this Application have been submitted in confidence and contain trade secrets or proprietary information, and such data shall be used or disclosed only for evaluation purposes, provided that if this applicant receives an award as a result of or in connection with the submission of this Application, DOE shall have the right to use or disclose the data herein to the extent provided in the award. This restriction does not limit the government’s

right to use or disclose data obtained without restriction from any source, including the applicant.’

“To protect such data, each line or paragraph on the pages containing such data must be specifically identified and marked with a legend similar to the following:

‘The following contains proprietary information that (name of applicant) requests not be released to persons outside the Government, except for purposes of review and evaluation.’”
