

background documents or comments received, go to <http://dms.dot.gov> at any time or to the plaza level of the Nassif Building, 400 Seventh Street, SW., Washington, DC 20590-0001, between 9 a.m. and 5 p.m., e.t., Monday through Friday, except Federal holidays. The DMS is available electronically 24 hours each day, 365 days each year. If you want notification of receipt of your comments, please include a self-addressed, stamped envelope, or postcard or print the acknowledgement page that appears after submitting comments online.

Privacy Act: Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** on April 11, 2000 (65 FR 19477), or you may visit <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Mr. Tom Yager, Chief, Driver & Carrier Operations Division, Office of Bus & Truck Standards and Development (MC-PSD), Department of Transportation, Federal Motor Carrier Safety Administration, 400 Seventh Street, SW., Washington DC 20590-0001. Telephone: 202-366-4009; e-mail MCPSD@dot.gov.

SUPPLEMENTARY INFORMATION:

Title: Accident Recordkeeping Requirements.

OMB Control Number: 2126-0009.

Type of Request: Revision of a currently-approved collection.

Respondents: Motor Carriers, Commercial Motor Vehicle Operators, State Licensing Agencies.

Estimated Number of Respondents: 106,800 motor carriers.

Estimated Time per Response: 18 minutes.

Expiration Date: June 30, 2007.

Frequency of Response: Once per year.

Estimated Total Annual Burden: 32,040 hours [106,800 motor carriers recording an accident × 18 minutes per response/60 minutes = 32,040].

Background: Title 49 CFR 390.15(b), requires motor carriers to make all records and information pertaining to crashes (accidents) specified in paragraphs (b)(1) and (b)(2) of that section available to an authorized representative or special agent of the FMCSA upon request, or as part of an inquiry. Interstate motor carriers are required to maintain an "accident register" consisting of a list of all accidents (both interstate and intrastate)

involving their commercial motor vehicles (CMVs) (49 CFR 390.15(b)). The information for each accident must include, at a minimum, the following elements: Date of accident; city or town in which or most near where the accident occurred, and the State in which the accident occurred; driver name; number of injuries; number of fatalities; and whether hazardous materials, other than fuel spilled from the fuel tanks of motor vehicles involved in the accident, were released. In addition, the register must contain copies of all accident reports required by State or other governmental entities or insurers. Motor carriers must maintain the required information about CMV accidents in their accident registers for three years after the date of the accident, instead of the former one year. This information collection supports the DOT strategic goal of safety by requiring motor carriers to gather and record information on crashes involving their CMVs. Likewise, the FMCSA is strengthening its ability to assess motor carriers' safety performance and to use that information to help motor carriers to prevent crashes and to reduce their severity. FMCSA uses this data to enable it to direct its enforcement resources to the motor carriers with the weakest safety records.

Definitions: The word "accident" is defined as an occurrence involving a commercial motor vehicle operating on a public road in interstate or intrastate commerce which results in: (1) A fatality; (2) bodily injury to a person who, as a result of the injury, receives medical treatment away from the scene of the accident; or (3) one or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle (49 CFR 390.5).

Public Comment Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FMCSA's performance; (2) the accuracy of the estimated burden; (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize or include your comments in the request for OMB's clearance of this information collection.

Issued on: April 16, 2007.

D. Marlene Thomas,

Associate Administrator Administration.

BILLING CODE 4910-EX-P

DEPARTMENT OF TRANSPORTATION

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2006-26304]

Agency Information Collection Activities; Revision of Approved Information Collections: OMB Control Numbers 2126-0010 (Motor Carrier Safety Assistance Program) and 2126-0025 (Transportation of Household Goods; Consumer Protection)

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice and request for comments.

SUMMARY: The FMCSA invites public comment on its intent to request approval from the Office of Management and Budget (OMB) to revise two (2) information collections (ICs) entitled, "Motor Carrier Safety Assistance Program" (2126-0010) and "Transportation of Household Goods; Consumer Protection" (2126-0025). These revised ICs are necessary to ensure that motor carriers and the States comply with changes made by various provisions of the Safe Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU), that will be implemented in a separate final rule. On November 20, 2006, the agency published a **Federal Register** notice with a 60-day comment period to solicit the public's views on three information collections. The agency received one comment, which contained no substantive remarks pertaining to any of the information collections, and consequently was not incorporated into our supporting statement. We are required to publish this notice in the **Federal Register** by the Paperwork Reduction Act of 1995 and implementing regulations.

DATES: Comments must be submitted on or before May 23, 2007.

ADDRESSES: You may submit comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 Seventeenth Street, NW., Washington, DC 20503, *Attention: DOT/FMCSA Desk Officer.*

Privacy Act: Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** on April 11, 2000 (65 FR 19477), or you may visit <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT:

Requests for further information, including copies of the proposed collection of information and supporting documentation can be obtained by contacting Mr. Frederic L. Wood, Office of Chief Counsel, Regulatory Affairs Division (MC-CCR), Federal Motor Carrier Safety Administration, Room 8201, 400 Seventh Street, SW., Washington, DC 20590; telephone (202) 366-0834. Office hours are from 9 a.m. to 5 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: The information stated below reflects the proposed changes to various regulatory provisions impacted by SAFETEA-LU and the new total annual burden hours for each.

(1) *Title:* Motor Carrier Safety Assistance Program.

OMB Control No.: 2126-0010.

Form No.: Forms MCSAP-1, MCSAP-2, and MCSAP-2A.

Type of Review: Revision of a currently approved collection.

Respondents: State Grant Applicants.

Number of Respondents: 52 (per quarter).

Estimated Time per Response: 80 hours.

Expiration Date: November 30, 2007.

Frequency: Annually (grant application) and quarterly (reports).

Total Annual Burden: 11,232 hours.

(2) *Title:* Transportation of Household Goods; Consumer Protection.

OMB Control No.: 2126-0025.

Form No.: Form MCSA-2P.

Type of Review: Revision of a currently approved collection.

Respondents: Motor Carriers and Individual Shippers of Household Goods.

Number of Respondents: 5,400.

Estimated Time per Response: Varies from 30 minutes to distribute consumer publication to 150 minutes to conduct physical survey.

Expiration Date: August 31, 2008.

Frequency: On occasion.

Total Annual Burden: 4,552,737 hours.

Background

Summarized below is information for the two (2) information collection requests subject to this notice. The information collection requests explained below are based on changes required by the enactment of SAFETEA-LU, Pub. L. 109-59, 119 Stat. 1144 (Aug. 10, 2005). We also correct previously published information regarding a third information collection.

First, the Motor Carrier Safety Assistance Program (MCSAP) requires

that the Secretary of Transportation (Secretary) review reports submitted by the States and conduct inspections to continuously evaluate a State's enforcement plan. Sections 401 through 404 of the Surface Transportation Assistance Act of 1982 (Pub. L. 97-424, Jan. 6, 1983) (STAA), as amended by 49 U.S.C. 31100 et seq., established a program of financial assistance to the States to implement programs to enforce Federal and compatible State rules, regulations, standards, and orders applicable to commercial motor vehicle (CMV) safety. SAFETEA-LU amended 49 U.S.C. 31102(b)(1) to modify the conditions a State must meet to qualify for grant funds through MCSAP and now requires the following conditions be addressed in the State's Commercial Vehicle Safety Plan: (1) Deploying technology as part of performance-based activities to enhance the efficiency and effectiveness of CMV safety programs; (2) disseminating information as part of the CMV and non-CMV licensing examination information on best practices for driving safely in the vicinity of non-commercial and commercial motor vehicles; (3) conducting comprehensive and highly visible traffic enforcement and CMV safety inspection programs in high-risk areas; (4) ensuring that inspections of certain passenger vehicles are conducted at a station or other facility where a motor carrier may make a planned stop; and (5) allowing the use of funds to conduct documented enforcement of State traffic laws. The overall impact of these financial assistance provisions decreases total burden hours of information collection 2126-0010 by an estimated 622 hours, chiefly as a result of non-CMV traffic enforcement activities.

Second, in the Motor Carrier Safety Improvement Act of 1999 (Pub. L. 106-159, 113 Stat. 1749, Dec. 9, 1999) (MCSIA), Congress authorized the Agency to regulate household goods carriers engaged in interstate operations for individual shippers. Title IV, Subtitle B of SAFETEA-LU amended various provisions of existing law regarding household goods transportation. Several of those provisions, specifically addressing: Definitions (section 4202); payment of rates (section 4203); carrier operations (section 4205); liability of carriers under receipts and bills of lading (section 4207); arbitration requirements (section 4208); and penalties for holding goods hostage (section 4210), result in changes that affect information collection activities. These provisions require corresponding changes to the "Your

Rights and Responsibilities When You Move" consumer pamphlet. Section 4205 also requires the motor carrier to provide to the shipper a copy of the publication "Ready to Move?" (or its successor publication). These publications provide concise, valuable consumer protection information regarding the legal rights of individual shippers. The household goods transportation provisions of SAFETEA-LU increase total paperwork burdens of information collection 2126-0025 by an estimated 182,700 burden hours compared to the previously approved burden. The largest portion of this increase is generated by requirements in section 4205 regarding the estimate of the transportation charges and the physical survey of the household goods.

Third, the separate final rule will not affect the currently-approved information clearance OMB Control Number 2126-0011, entitled "Commercial Driver Licensing and Test Standards," which was referenced in the previous **Federal Register** notice. After we published the 60-day notice, the OMB approved this information collection on December 21, 2006, at a revised total of 1,210,401 burden hours, with an expiration date of April 30, 2007. This change is independent of, and not caused in any way by, the provisions in the final rule. We anticipate no additional change in the burden hours for this information collection at this time. We seek public comment on this assumption.

Public Comments Invited: You are asked to comment on any aspect of the information collections referenced here, including: (1) Whether the proposed collection is necessary for the FMCSA's performance; (2) the accuracy of the estimated burden; (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information.

Issued on: April 13, 2007.

D. Marlene Thomas,

Associate Administrator Administration.
