PIC Help Ticket No.:

Comments:

HQ Comments:

A PHA is required to enter a valid PICHelp Ticket Number if it is rejecting certification for a development.

1999 Unit Count: 60

Correction:

Correction Comments:

1999 Aggregate Bedroom Count: 128

Correction:

Correction Comments:

A PHA that disagrees with the 1999 unit count and/or 1999 aggregate bedroom count is to enter correction information and comments but not to reject certification for the development if the other data for the development is accurate.
