Public reporting burden for this collection of information is estimated to average 8 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

This collection of information requires that each eligible applicant submit information to HUD in order to receive its annual formula grant. This information will be used by HUD to determine whether the annual submission meets statutory and regulatory requirements for the annual formula grant and during implementation. Responses to the collection are required by Section 14(e)(3) and (4) of the U.S. Housing Act of 1937, as amended. The information requested does not lend itself to confidentiality.

Instructions for Preparation of Form HUD-52837, Annual Statement/Performance and Evaluation Report, Report Submission For the Annual Statement

Prepare a separate Form HUD-52837 (Parts I, II and III) for each annual formula grant, describing the activities which are planned to be undertaken with the current year's Comprehensive Grant Program (CGP) funds. Submit this form to HUD as part of each annual submission. On an as-needed basis, submit a revised form when prior HUD approval is required to amend the Annual Statement. When submitting a complete Form HUD-52837 (Parts I, II and III), only Part I shall be signed and dated. For revisions affecting individual pages, only the pages affected shall be signed, dated and submitted to HUD.

Prepare a separate Form HUD-52837 (Parts I, II and III) for each funding request from the \$75 million reserve for natural and other disasters and emergencies.

Prepare a separate Form HUD-52837 (Parts I, II and III) for each emergency funding request under the annual formula grant where there is no approved Comprehensive Plan.

Report Submission For the Performance and Evaluation Report

At the end of the program year (6/30), complete the sections of Parts I, II and III as noted in footnotes 1 and 2 on a copy of the original or revised Annual Statement and mark the box, Performance and Evaluation Report for Program Year Ending _____. Submit the form(s) to HUD, together with the narrative report on resident and local/tribal government participation and other required items, by 9/30. Continue reporting at the end of each program year, until the program is completed or all funds are expended.

Revisions to the Annual Statement which do not require prior HUD approval, (e.g. expenditures for emergency work, revisions resulting from the HA's application of fungibility) shall be reported in the Performance and Evaluation Report. Revisions requiring prior HUD approval shall be submitted in a revised Annual Statement, on an as-needed basis, prior to submission of the Performance and Evaluation Report.

Upon completion or termination of the activities funded in a specific grant year, complete the sections of Parts I, II and III as noted in footnotes 1 and 2 on a copy of the original or revised Annual Statement and mark the box, Final Performance and Evaluation Report. Submit a Final Performance and Evaluation Report as soon as the program is completed or all funds are expended.

Part I: Summary

Heading Instructions

HA Name. Enter the HA name.

Comprehensive Grant Number. Enter the unique Comprehensive Grant number designated for the annual grant. This number is a 13-digit alpha numeric code as follows: two-digit State code (alpha); two-digit Field Office code (numeric); P for Public Housing; three-digit HA number; three-digit Grant number; and two-digit Federal Fiscal Year identifier. The first Comprehensive Grant approved under the CGP shall be 701; e.g., VA05P03670193. The second Comprehensive Grant approved under the CGP shall be 702; e.g.,

Grant Numbers shall be sequential, e.g., the annual formula grant is funded first and numbered VA05P03670395; a grant from the \$75 million reserve is funded next in the same FFY and numbered VA05P03670495.

FFY of Grant Approval. Enter the FFY in which the grant is being approved/was approved.

Type of Submission. Check the appropriate box and indicate whether the submission is the Original Annual Statement for the annual formula grant, the \$75 million Reserve for Disasters and Emergencies, the Revised Annual Statement (and revision number), the Performance and Evaluation Report for Program Year Ending (enter date, e.g., 6/30/96), or the Final Performance and Evaluation Report.

Original Total Estimated Cost

Line 1. Enter the Original Total Estimated Cost for all work that will be undertaken from non-CGP funds, including CIAP funds being reprogrammed for CGP purposes. Enter zero if no work will be undertaken from non-CGP funds.

If revisions are reported in the Revised Total Estimated Cost column when a Performance and Evaluation Report is submitted, the revisions shall be reflected in the Original Total Estimated Cost column when the next Performance and Evaluation Report is submitted.

Where prior HUD approval is required to revise the Annual Statement (i.e., where a major work category is being added to the Annual Statement which was not included in the latest HUD-approved Five-Year Action Plan or a prior approved budget), enter the revisions to development accounts that are affected by the change in the Revised Total Estimated Cost column and submit only the pages of the form affected by the revision to HUD. Each page submitted for prior HUD approval of a revision shall be signed and dated by the HA and, where approved by HUD, a signed copy shall be returned to the HA.

Funds from this account shall be shown as obligated and expended in another development account when funds from this account are used for cost overruns, contract modifications, or other work.

Line 20. Enter the sum of lines 2 through 18 for obligated and expended. The sum of lines 2 through 18 may not exceed line 20 in the Original Total Estimated Cost column.

Part II: Supporting Pages

Development Number/Name. Enter the abbreviated number (e.g., VA-36-1) and the name, if any, of each development where a major work category will be undertaken. Enter "HA-wide" for a major work category that relates to a HA-wide activity (e.g., management improvements; administration; physical improvements that are unpredictable, such as lead-based paint abatement, asbestos abatement, modernization of vacant units).

General Description of Major Work Categories. For each development listed, enter a general description of the major work categories, including those that will be funded with non-CGP funds and no cost items. Work categories should be described in broad terms, such as kitchens, bathrooms, electrical, site, etc. A work category may encompass various components; e.g., the major work category of kitchens may include ranges, refrigerators, cabinets, floors, etc. Do not specify the per unit cost or the quality of materials. Identify major work categories that will be accomplished by Force Account labor by entering (FA) in parenthesis next to the major work category. PHAs that are designated as both overall high performers and Mod-high performers under the PHMAP and IHAs do not have to identify major work categories that will be accomplished by FA. After listing all major work categories for all developments being funded, enter a general description of HA-wide activities such as; management improvements; administrative costs; non-dwelling equipment; physical improvements that are unpredictable such as lead-based paint abatement, asbestos abatement, modernization of vacant units. When major work categories are subsequently deleted, draw a line through the General Description of Major Work Categories, Development Account Number, Quantity, and Estimated Cost. When major work categories are subsequently added, enter the General Description of Major Work Categories, Development Account Number, Quantity and Estimated Cost under the appropriate development number/name. **Note:** Describe administrative and management improvement costs in sufficient detail for HUD to make a determination of eligibility. Identify items excluded from the 10 percent limitation on administrative cost, such as in-house LBP testing; identify management improvements and how they relate to identified physical or management improvement needs.

Development Account Number. For each major work category and HA-wide activity, enter the appropriate development account which corresponds to the major work categories described under the General Description of Major Work Categories column. For appropriate development accounts, refer to the CGP Handbook 7485.3. Where funding will be provided from non-CGP sources, or the work is a no-cost item, enter "N/A" for not applicable.

Quantity. Enter the quantity of each major work category, and HA-wide activity, to be undertaken as a percentage or whole number; e.g., 50 percent of the units, 125 units, train 25 residents, etc.

Total Estimated Cost

Original. For each major work category and HA-wide activity, enter the Original Estimated Cost. Asterisk the estimated cost of each major work category that will be funded with non-CGP funds, including reprogrammed CIAP funds. **After listing the estimated cost for all major work categories at a particular development, enter a subtotal of the estimated cost of only the major work categories that will be funded from the current year's CGP grant. (Note: Do not count costs that have been asterisked in this subtotal). Enter a subtotal for each HA-wide activity.** Enter a grand total for Part II of only the major work

categories and HA-wide activities that will be funded with the current year's CGP grant. The Grand Total may not exceed line 19 of the Original Total Estimated Cost column in Part I.

Revised. After initial approval by HUD, the HA shall track cost decreases or increases in the Original Total Estimated Cost and report these revisions in the Revised Total Estimated Cost column at the end of each program year on the Performance and Evaluation Report. If revisions are reported in the Revised Total Estimated Cost column when a Performance and Evaluation Report is submitted, the revisions shall be reflected in the Original Total Estimated Cost column when the next Performance and Evaluation Report is submitted. Where prior HUD approval is required to revise the Annual Statement (i.e., where a major work category is being added to the Annual Statement which was not included in the latest HUD-approved Five-Year Action Plan or a prior approved budget), enter the revisions to development accounts that are affected by the change in the Revised Total Estimated Cost column and submit only the pages of the form affected by the revision to HUD.

Total Actual Cost. At the end of the CGP program year for each grant with a separate Comprehensive Grant Number for which funds are still being expended, complete the section on Actual Cost for the Performance and Evaluation Report. Upon completion or termination of the activities funded for each grant with a separate Comprehensive Grant Number, complete the section on Actual Cost for the Final Performance and Evaluation Report.

Funds Obligated. In this column, for each development listed, enter the cumulative dollar amount of all funds obligated for that development opposite the Original Estimated Cost subtotal. For each HA-wide activity listed, enter the cumulative dollar amount of all funds obligated opposite the Original Estimated Cost subtotal. Enter the cumulative dollar amount of all funds obligated opposite the Grand Total. The Grand Total may not exceed line 19 in the Original Total Estimated Cost column in Part I. This includes funds obligated by the HA for work to be performed by contract labor (i.e., contract award) and force account labor (i.e., work actually started). Funds that are recorded as being obligated shall remain obligated so that total funds obligated are always greater than or equal to total funds expended. Total funds obligated shall not exceed the amount of the annual grant. **Note:** Do not enter a dollar amount for obligated for line 18 (Contingency). Funds from this account will be shown as obligated in the appropriate development account when funds from this account are used for cost overruns, contract modifications or other work.

Funds Expended. In this column, for each development listed, enter the cumulative dollar amount of all funds expended for that development opposite the Original Estimated Cost subtotal. For each HA-wide activity listed, enter the cumulative dollar amount of all funds expended opposite the Original Estimated Cost subtotal. Enter the cumulative dollar amount of all funds expended opposite the Grand Total. The Grand Total may not exceed line 19 in the Original Total Estimated Cost column in Part I. Total funds expended means cash actually disbursed and does not include retainage. **Note:** Do not enter a dollar amount for expended for line 18 (Contingency). Funds from this account will be shown as expended in the appropriate development account when funds from this account are used for cost overruns, contract modifications or other work.

Status of Proposed Work. At the end of the CGP program year, complete this section for the Performance and Evaluation Report. For each major work category and HA-wide physical improvement listed, prepare a brief description of the status of the item, e.g., work completed or contract awarded on May 5, 1996. Explain the addition, deletion or modification of any major work category, such as the addition of any emergency work, or changes to the Annual

Statement, by substituting major work categories from the Five-Year Action Plan or other approved modernization budgets. Where funds were budgeted for HA-wide physical improvements, indicate the actual developments/number of units where the funds were expended.

Part III: Implementation Schedule

Development Number/Name. Enter the abbreviated number (e.g., VA 36-1) and the name, if any, of each development listed on Part II. Enter "HA-wide" for major work categories that relate to HA-wide physical or management improvements.

Original - All Funds Obligated. Opposite each development and for each HA-wide physical or management activity, enter the estimated quarter ending date for obligation of all funds under the Original column. **Note:** Provide an implementation schedule only for HA-wide physical or management improvements, not for other HA-wide activities (e.g., administration).

Revised - All Funds Obligated. The HA may revise the target dates for fund obligation for delays outside of the HA's control. The revised dates shall be reported in this column at the end of the program year on the Performance and Evaluation Report. If revisions are reported in the Revised - All Funds Obligated column, the revised dates shall be reflected in the Original - All Funds Obligated column when the next Performance and Evaluation Report is submitted. When it is necessary for the HA to revise a target date for reasons within its control, the HA shall immediately submit a written request to the Field Office requesting approval of the new date. If the Field Office approves the revision, the revised dates shall be reflected in the Original - All Funds Obligated column when the next Performance and Evaluation Report is submitted.

Actual - All Funds Obligated. When all funds are obligated for a development or HA-wide activity, enter the quarter ending date that this occurred in the Actual column.

Original - All Funds Expended. Opposite each development and for each HA-wide physical or management activity, enter the estimated quarter ending date for expenditure of all funds under the Original column. **Note:** Provide an implementation schedule only for HA-wide physical or management improvements, not for other HA-wide activities, (e.g., administration).

Revised - All Funds Expended. The HA may revise the target dates for funds expenditure for delays outside of the HA's control. The revised dates shall be reported in this column at the end of the program year on the Performance and Evaluation Report. If revisions are reported in the Revised - All Funds Expended column, the revised dates shall be reflected in the Original - All Funds Expended column when the next Performance and Evaluation Report is submitted. When it is necessary for the HA to revise a target date for reasons within its control, the HA shall immediately submit a written request to the Field Office requesting approval of the new date. If the Field Offices approves the revision, the revised dates shall be reflected in the Original - All Funds Obligated column when the next Performance and Evaluation Report is submitted.

Actual - All Funds Expended. When all funds are expended for a development or HA-wide activity, enter the quarter ending date that this occurred in the Actual column. When all funds have been expended for a specific grant, the HA shall complete Parts I, II, and III, mark the box, Final Performance and Evaluation Report, and submit to the Field Office.

Reasons for Revised Target Dates. Explain any revisions to the target dates for fund obligation or expenditure by specifying the delay outside of the HA's control, where the HA has self-issued a time extension, or the date on which HUD approved a revised target due to delays within the HA's control.
