It's Time to Sign Up for Direct Deposit

Public Law 104-134 requires that most Federal payments be made by Direct Deposit. More than 90% of Federal retirees and survivors receive their payments by Direct Deposit. We recommend that you participate too.

We can make payment by Direct Deposit into your account in a bank, credit union, savings bank, or thrift institution. Many financial institutions offer basic, low-cost accounts, as well as full-service accounts. Direct Deposit is safe, reliable, and convenient for you. You do not have to take care of a paper check (which could be delayed in the mail, lost, or stolen).

However, if receiving your payment electronically would cause you a hardship because you have a disability or because of a geographic, language, or literacy barrier, you may receive your payment by check. In addition, if enrolling in Direct Deposit would cause you a financial hardship because it would cost you more than receiving your payment by check, you may receive your payment by check.

For more information about Direct Deposit, call us on 1-888-767-6738 (TDD: 1-800-878-5708) Monday through Friday from 7:30 AM to 7:45 PM Eastern time. It is easy to sign up. You can call us toll-free using the numbers shown above.

If you do not want to call us to enroll, you can fill this form out and FAX it to 724-794-6633. Or, you can mail this form to our Boyers, Pennsylvania, address shown at the top of this page.
