Form Approved: OMB No. 3220-0198

If you have already established an account you may login now.

You must first establish an account in order to access RRB Internet services. To establish an account, follow steps 4 and 2.

1. Go to Box 1 to request a Password Request Code (PRC). A PRC will be sent by US Mail to your address of record.
2. Go to Box 2 when you receive your PRC. Use the PRC to establish your PIN/Password account

Once you receive your PRC and establish your account, you never need to click on Box 1 or 2 again. You perform steps 1 and 2 only one time. Go to Box 3 for all future access to our online services.

NOTE: You will not be able to establish an account unless your web browser supports advanced encryption. Some older versions of web browsers are not compatible with the PIN/Password feature.
