

This information is required to record the number of animals tested; positive a nimal; and swine vaccinated (9 CFR 85). This is done to determine progress in the program and/or deficiencies in the States.

FORM APPROVED
OMB NO. 0579-0070

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0579-0070. The time required to complete this information collection is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

| UNITED STATES DEPARTMENT OF AGRICULTURE ANIMAL AND PLANT HEALTH INSPECTION SERVICE VETERINARY SERVICES QUARTERLY REPORT OF PSEUDORABIES CONTROL/ERADICATION ACTIVITIES | State Name | Stage | Month | Year |
| | | | | |

SECTION A -- HERD STATUS DATA

| THIS QUARTER | INFECTED | | QUALIFIED NEGATIVE | FEEDER PIG MONITORED | QN-VACCINATED | UNDER HERD CLEANUP PLAN |
|------------------------------------|----------|---------|--------------------|----------------------|---------------|-------------------------|
| | Herds A | Swine B | Herds C | Herds D | Herds E | Herds F |
| 1. Beginning of quarter | | | | | | |
| 2a. New herds added during quarter | | | | | | |
| b. Previously infected herds added | | | | | | |
| 3a. Removed during quarter | | | | | | |
| b. By statistical sampling | | | | | | |
| 4. At ending of quarter | | | | | | |

SECTION B -- MARKET/SLAUGHTER SURVEILLANCE DATA

| Samples from: | BLOOD SAMPLES COLLECTED IN THIS STATE | | | | | | | | BLOOD SAMPLES FROM THIS STATE COLLECTED IN OTHER STATES | | | |
|-----------------------------|---------------------------------------|------------|----------------|------------|-------------------|------------|----------------|------------|---|------------|----------------|------------|
| | FROM THIS STATE | | | | FROM OTHER STATES | | | | | | | |
| | Barrows and Gilts | | Sows and Boars | | Barrows and Gilts | | Sows and Boars | | Barrows and Gilts | | Sows and Boars | |
| | Tested A | Positive B | Tested C | Positive D | Tested E | Positive F | Tested G | Positive H | Tested I | Positive J | Tested K | Positive L |
| 5. Slaughter establishments | | | | | | | | | | | | |
| 6. First point testing | | | | | | | | | | | | |

SECTION C -- TRACEBACK OF MARKET/SLAUGHTER SURVEILLANCE POSITIVES

| Samples from: | Total Positive Samples for This State A | Trace Not Required B | Traced to Known Infected Herd C | Traced and Herd Test Required D | Traced and Herd Test Not Required E | Traced to Sold Out Herd F | Traced to Another State G | Unable to Trace H | Pending I |
|-----------------------------|---|----------------------|---------------------------------|---------------------------------|-------------------------------------|---------------------------|---------------------------|-------------------|-----------|
| 7. Slaughter Establishments | | | | | | | | | |
| 8. First point testing | | | | | | | | | |

SECTION D -- SUMMARY OF PSEUDORABIES VACCINATION

9. Permitted in State Not Permitted in State

Complete following if Vaccination Permitted in State

| NAME OF VACCINE USED (Brand Name or Trade Name) | BREEDING HERDS VACCINATED | | GROWER/FINISHER HERDS VACCINATED | |
|---|---------------------------|---------|----------------------------------|---------|
| | Herds A | Swine B | Herds C | Swine D |
| 10. | | | | |
| 11. | | | | |
| 12. | | | | |
| 13. | | | | |
| 14. | | | | |

SECTION E -- SOURCE OF NEW HERD INFECTIONS

| | Purchased Feeder Pigs A | Purchased Breeding Swine B | Feral Swine C | Feed/Bedding D | Area Spread E | Infected Swine Carcasses F | Created by Herd Division G | Unknown H |
|---------------------|----------------------------|-------------------------------|------------------|-------------------|------------------|-------------------------------|-------------------------------|--------------|
| 15. Number of Herds | | | | | | | | |
| 16. | | | | | | | | |

SECTION F -- SUMMARY OF ON - FARM TESTING RESULTS

| Reason for test; | NO INFECTION FOUND | | INFECTION FOUND | | | TOTAL HERDS TESTED | |
|---|--------------------|-------------------|-------------------|-------------------|---------------------|--------------------|-------------------|
| | Herds Tested A | Swine Tested B | Herds Tested C | Swine Tested D | Swine Positive E | Herds Tested F | Swine Tested G |
| EPIDEMIOLOGIC TESTING | | | | | | | |
| 17. Slaughter traceback | | | | | | | |
| 18. First point test traceback | | | | | | | |
| 19. Tracing movements from infected herds | | | | | | | |
| 20. Tracing additions to infected herds | | | | | | | |
| 21. Circle testing around infected herds | | | | | | | |
| 22. Other epidemiologic testing (explain) | | | | | | | |
| | | | | | | | |
| AREA TESTING FOR SURVEILLANCE | | | | | | | |
| 23. Breeding herds | | | | | | | |
| 24. Grower/Finisher Herds | | | | | | | |
| HERD STATUS TESTING | | | | | | | |
| 25. Feeder pig monitoring | | | | | | | |
| 26. Qualified negative herd tests | | | | | | | |
| 27. QN-Vaccinated Herd Tests | | | | | | | |
| 28. Retest of infected herds | | | | | | | |
| 29. Test for Sale/Exhibition | | | | | | | |
| 30. Retest of imported swine | | | | | | | |
| 31. DIAGNOSTIC TESTING | | | | | | | |
