## EXPLANATION OF TYPES OF CLASSING SERVICES AND INSTRUCTIONS FOR SUBMITTING SAMPLES

### COTTON STANDARDS ACT

- 1. FORM A MEMORANDUM** – Issued on classification or comparison of samples freshly drawn and submitted direct to the Classing Office serving the territory in which the cotton is located by a warehouse licensed by the Cotton Program, AMS.
- 2. FORM D MEMORANDUM** – Issued as an informative classification or comparison on samples submitted by the owner of the cotton or his/her agent to the Classing Office serving the territory in which the samples are located.

**NOTE:** Samples representing cotton produced outside the United States are NOT eligible for Form A or D classing. (See "Agricultural Marketing Act of 1946" below)

### AGRICULTURAL MARKETING ACT OF 1946

**Memorandum on Foreign Growth Cotton Samples - Issued on classification or comparison of samples from cotton produced outside the United States. Samples should be submitted to the Classing Office serving the territory in which the samples are located. If the samples are located outside the United States, they should be submitted to the Classing Office designated by the Deputy Administrator of the Cotton Program, AMS.**

*According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0008. The time required to complete this information collection is estimated to average 5 minutes/hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.*
