**INSTRUCTIONS:
Application for
Medical Transfer of IFQ**

In the event of a medical condition affecting a QS holder or an immediate family member of a QS holder that prevents the QS holder from being able to participate in the halibut or sablefish IFQ fisheries, a medical transfer may be approved for the IFQ derived from the QS held by the person affected by the medical condition.

A medical transfer will be approved if the QS holder demonstrates that:

He or she is unable to participate in the IFQ fishery for which he or she holds QS because of a medical condition that precludes participation by the QS holder; or

He or she is unable to participate in the IFQ fishery for which he or she holds QS because of a medical condition involving an immediate family member that requires the QS holder's full time attendance.

Eligibility.

To be eligible to receive a medical transfer, a QS holder must:

- Possess one or more catcher vessel IFQ permits; and
- Not qualify for a hired master exception under paragraph § 679.42(i)(1).

Restrictions.

- A medical transfer shall be valid only during the calendar year for which the permit is issued;
- A medical transfer will be issued only for the IFQ derived from the QS held by the applicant;
- NMFS will not approve a medical transfer if the applicant has received a medical transfer in any 2 of the previous 5 years for the same medical condition.

Note: A Separate Application must be submitted for each Medical Transfer (MT) of IFQ.

The original application must be submitted — an application sent by facsimile will not be processed.

Please allow at least ten working days for your application to be processed. Items will be sent by first class mail, unless you provide alternate instructions *and* include a prepaid mailer with appropriate postage or corporate account number for express delivery.

If you need assistance in completing this application or need additional information, call Restricted Access Management at (800) 304-4846 (#2) or (907) 586-7202 (#2).

A QS holder may apply for a medical transfer by submitting a medical transfer application to the Alaska Region, NMFS. A QS holder who has received an approved medical transfer from RAM may transfer the IFQ derived from his or her own QS to an individual eligible to receive IFQ.
