Hello-

Thank you for forwarding the comments concerning the CDC 60-day Federal Register Notice for CDC 0920-0580 National Public Health Performance Standards Program Local Public Health Governance Assessment (Reinstatement). We have given the concerns described careful consideration. For further information regarding the unique mission of CDC and program activities, please refer to our website at www.cdc.gov.

Thank you for your continued interest in CDC.

Sincerely,

National Public Health Performance Standards Program staff

Subject: PUBLIC COMMENT ON FEDERAL REGISTER OF 12/22/06 VOL 71 #245 PG 77025 (60 day 07 0580)

FED REG DOC E6-21935 - DHS CDC 60 DAY 07 0580 OMB 0920-0580 REINSTATEMENT OF NATIONAL PUBLIC HEALTH PERFORMANCE STANDARDS PROGRAM -

1. PAPERWORK GALORE WITH NO REAL IMPROVEMENT IN PUBLIC HEALTH.

2. THESE LITTLE FEIFDOMS OF HEALTH COMMITTEES ARE MAKING REGULATIONS AND ENFORCING FINES FOR THINGS THAT HAVE ABSOLUTELY NOTHING TO DO WITH PUBLIC HEALTH. ENCOURAGING THESE LITTLE FEIFDOMS IN THEIR POWER TRIPS IS UNCONSCIONABLE. FIRST OF ALL, THESE LITTLE COMMITTEES ARE ENFORCING RULES ON RABIES SHOTS FOR CATS AND DOGS, WHICH ARE IN FACT CAUSING CANCER. THEY ARE MANDATING SOME RABIES SHOTS EVERY SINGLE YEAR AND IN SOME CASES EVERY 3 YEARS, WHEN IN FACT THE INNOCULATION CAN LAST LONGER THAN THAT. IN ADDITION, THERE IS ABSOLUTELY NO REASON TO REQUIRE A RABIES SHOT FOR A CAT WHICH IS KEPT INDOORS. NO REASON AT ALL BECAUSE RABIES DOES NOT MIGRATE INDOORS. THE CAT IS SAFE AND THIS KIND OF SHOT CAUSES CANCER. THESE LITTLE HEALTH FIEFDOMS REFUSE TO LEARN ENOUGH TO LEARN ABOUT THE ACTUALITY AND FACTUALITY OF THIS.

SECONDLY, THESE LITTLE HEALTH FIEFDOMS COME OUT WITH RULES TO PICK UP CATS THAT HAVE BEEN TNR'ED. TNR IS TRAP, NEUTER RELEASE, WHICH IS A VERY VERY SOUND PROGRAM WHERE FERAL CATS ARE TRAPPED, NEUTERED AND GIVEN ALL SHOTS AND THEN RETURNED TO AN AREA. THOSE CATS PERFORM VALUABLE SERVICE. THEY EAT MICE. IF THE MICE ARE NOT EATEN, YOU HAVE TICKS LIVING ON THEM AND CAUSING LYME. UNFORTUNATELY IN FAR TOO MANY CASES, THESE LITTLE ALLEGED "HEALTH FIEFDOMS" DONT BOTHER TO LEARN ABOUT THIS AND JUST GO ABOUT HAVING THOSE POOR FERAL CATS EXTERMINATED, WHEN THEY PERFORM A VERY VERY VALUABLE SERVICE TO A COMMUNITY. THIS IS THE KIND OF STUPIDITY THAT ONE SEES IN THESE LITTLE ALLEGED "EXPERT" COMMITTEES.

WE SHOULD NOT ENCOURAGE THIS.

ANOTHER EXAMPLE IS THE IDEA OF GETTING FLU SHOTS. WE ARE INNOCULATING BABIES AND LITTLE CHILDREN WITH SO MANY SHOTS THESE DAYS THAT IT IS ABSOLUTELY OUT OF CONTROL. WITH SUCH A FRAGILE SYSTEM, THESE KINDS OF ALLEGED "EXPERTS" ARE POURING ALL KINDS OF MERCURY TOXIC CHEMICALS INTO THE BODY OF LITTLE BABIES WEIGHING 10 POUNDS. - HOW STUPID IS THAT INVASION OF THESE LITTLE BABIES.

WHAT IS GOING ON NOW IN THE ALLEGED "HEALTH COMMUNITY" IS IN FACT PROFITEERING FOR DOCTORS AND DRUG COMPANIES AND NOT REAL CONCERN FOR THE HEALTH OF PEOPLE.

SOMETHING SHOULD BE DONE TO BRING US ALL BACK TO REALITY AND HEALTH. THESE COMMITTEES ARE OVVERRUN WITH PROFITEERS FROM THE DRUG INDUSTRY - AND THAT IS ABSOLUTELY WRONG. ABSOLUTELY AND POSITIVELY WRONG.
