Form 8879-EX (7-2007) Page **2**

Purpose of Form

Use Form 8879-EX if you and the electronic return originator (ERO) want to use a personal identification number (PIN) to electronically sign an electronic excise tax return or request for refund.

If applicable, Form 8879-EX is also used to authorize an electronic funds withdrawal. If you do not use Form 8879-EX to sign your return, you must use Form 8453-EX, Excise Tax Declaration for an IRS *e-file* Return. For more information, see the instructions for Form 8453-EX.

Do not send this form to the IRS. The ERO must retain Form 8879-EX.

ERO Responsibilities

The ERO will:

- Enter the name and taxpayer identification number as shown on Form 720, 2290, or 8849.
- Complete Part I by checking the box for the type of return being filed and using the amounts (zeros may be entered when appropriate) from the return being filed.
- Enter on the authorization line in Part II the ERO firm name (not the name of the individual preparing the return) if the ERO is authorized to enter the taxpayer's PIN.
- Give the taxpayer Form 8879-EX for completion and review. This can be done by hand delivery, U.S. mail, private delivery service, email, or Internet website.
- Complete Part III including a signature and date.

Form 8879-EX must be completed and signed before the electronic return is transmitted (or released for transmission).

Taxpayer's Responsibilities

The taxpayer filing Form 720, 2290, or 8849 has the following responsibilities.

- Verify the type of return being filed in Part I.
- Verify the accuracy of the prepared return.
- Check the appropriate box in Part II to either authorize the ERO to enter your PIN or to choose to enter it in person.
- Indicate or verify his or her PIN when authorizing the ERO to enter it (the PIN must be five numbers other than all zeros).
- Sign and date Part II.

• Return the completed Form 8879-EX to the ERO by hand delivery, U.S. mail, private delivery service, or fax.

Note. Your return will not be transmitted to the IRS until the ERO receives the signed Form 8879-EX.

Important Notes for EROs

- Do not send Form 8879-EX to the IRS unless requested to do so. Retain the completed Form 8879-EX for 3 years from the return due date or IRS received date, whichever is later.
- Enter the taxpayer's PIN on the input screen only if the taxpayer has authorized you to do so.
- Provide the taxpayer with a copy of the signed Form 8879-EX upon request.
- Provide the taxpayer with a corrected copy of Form 8879-EX if changes are made to the return (for example, based on the taxpayer's review).
- See Pub. 4163, Modernized e-File (MeF) Information for Authorized IRS *e-file* Providers, for more information.
