Periodic meetings are held between IRS personnel and representatives of the American Bar Association, the National Society of Public Accountants, the American Institute of Certified Public Accountants, and other professional groups to discuss tax law and tax forms. During these meetings, there is an opportunity for those attending to make comments regarding Form 970.

In response to the **Federal Register Notice** (72 FR 17225), dated April 6, 2007, we received no comments during the comment period regarding Form 970.

<u>Form</u>	<u>No. of</u>	<u>Time per Responses Total hours</u>	<u>Response</u>
Form 970	2,000	12.40	24,800

Estimates of the annualized cost to respondents for the hour burdens shown above are not available at this time. The following regulations impose no additional burden. Please continue to assign OMB number 1545-0042 to these regulations.

1.472-1	1.472-8
1.472-3	5c.0

We have reviewed these regulations and have determined that the reporting requirements contained in them are entirely reflected on the form. The justification appearing in item 1 of the supporting statement applies to both these regulations and Form 970.

13. ESTIMATED TOTAL ANNUAL COST BURDEN TO RESPONDENTS

As suggested by OMB, our **Federal Register Notice** dated **April 6, 2007**, requested public comments on estimates of cost burden that are not captured in the estimates of burden hours, i.e., estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. However, we did not receive any responses from taxpayers on this subject. As a result, estimates of these cost burdens are not available at this time.

14. ESTIMATED ANNUALIZED COST TO THE FEDERAL GOVERNMENT

After consultation with various functions within the Service, we have determined that the cost of developing, printing, processing, distributing and overhead for this form is \$5,411.
