Supporting Data for Annual Contributions Estimates

Section 8 Housing Assistance

Payments Program

Public reporting burden for this collection of information is estimated to average 1.50 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless that collecton displays a valid OMB control number. Authority for this collection of information is the Housing and Community Development Act of 1987. Housing Agencies (HAs) required to maintain financial reports in accordance with accepted accounting standards too permit timely and effective audits. The financial records identify the amount of annual contributions that are received and disbursed by HAs. Responses to the collection of information are required to obtain a benefit or to retain a benefit. The information requested does not lend itself to confidentiality.
