

Health Plan Stability

Years in Business/Total Membership (YIB)

SUMMARY OF CHANGES TO HEDIS 2007

- No changes to this measure.

Description

The number of years since **licensure** (the number of years that each product line has existed) and the number of members enrolled as of December 31 of the measurement year.

Calculation

For each product line the MCO offers, report the number of years in business and the number of members enrolled as of December 31 of the measurement year by product line. The total category should equal the MCO's total membership as of December 31 of the measurement year.
