

NOTE TO REVIEWER

OMB No. 1215-0151

Terms of Clearance: Due to violation of previous terms of clearance, this collection is approved for only six (6) months. At that time, ESA must report back to OMB their efforts to resolve feasibility concerns with electronic submissions of this collection, especially including legal enforceability. At this time further implementation timelines and options will be considered. ESA will not need to publish this form for comment at the next submission in 6 months.

Final Feasibility Study – Electronic Submission of Forms

The Final Feasibility Study – Electronic Submission of Form CA/EN-1032 was submitted to OMB on June 24, 2005, within the six month time frame and OMB granted the three year approval based on the final study.
