

## FinCEN – Compliance MOU Customer Satisfaction Survey FY 2008

---

### Introduction

The Financial Crimes Enforcement Network (often referred to as FinCEN) is committed to serving and satisfying their federal and state regulatory partners. FinCEN has commissioned the CFI Group, an independent third-party research group, to conduct this survey.

The survey should only take approximately five minutes to complete. CFI Group will treat all information you provide as confidential. All information you provide will be combined with others' for research and reporting purposes. Your individual responses will not be released. ### Impact of Information Exchange

---

MOUs require two-way information sharing between FinCEN and fellow regulators for the purpose of enhancing consistency in BSA application. Regulators provide FinCEN with reports, aggregate examination information, and notification of significant BSA violations. In turn, FinCEN assesses incoming

compliance cases, initiates referrals to regulatory authorities, engages in enforcement activity, and provides agencies with analytical products that assist with examinations.

Please rate the impact of FinCEN's information exchange and assistance in terms of each of the following statements. Use a scale from "1" to "10," where "1" is "strongly disagree" and "10" is "strongly agree." If a particular question does not apply, please select "N/A."

- Q1. The Information Sharing Agreement has improved or enhanced the level of cooperation between my organization and FinCEN in the area of BSA examination and compliance.
- Q2. The analytic information my organization has received from FinCEN has helped my organization in its supervisory responsibilities.
- Q3. FinCEN has effectively responded to any concerns my organization has expressed regarding execution of the information sharing agreements.
- Q4. FinCEN has worked cooperatively with my organization or provided advance notification on enforcement actions taken against any financial institution under my organization's supervision.
- Q5. FinCEN has provided support to my organization to help identify financial institutions with possible BSA compliance deficiencies.
- Q6. FinCEN's programs and assistance have enhanced consistency in the application of the BSA.
- Q7. FinCEN and your organization's combined efforts have improved the level of compliance observed

- ACSI2. To what extent has the MOU with FinCEN met your expectations? Please use a 10-point scale on which "1" now means "did not meet your expectations" and "10" means, "exceeds your expectations."
- ACSI3. Forget about FinCEN for a moment. Imagine the MOU. How well does the MOU with FinCEN compare with that ideal? Please use a 10-point scale on which "1" means "Not very close to the ideal" and "10" means "Very close to the ideal."
