Web Introduction

2008 Customer Satisfaction Questionnaire–AmeriCorps State and National Organizations

You recently received an electronic message from AmeriCorps, inviting you to complete the 2008 AmeriCorps Customer Satisfaction Survey. You can access the survey using the link listed below. AmeriCorps and the Corporation for National and Community Service have utilized the survey since 2004 to better understand your experiences as a resource recipient of AmeriCorps, particularly about your organization's level of satisfaction with the program's dynamics and operations.

Although participation is voluntary, your responses will help AmeriCorps and the Corporation improve upon its services to your organization and others like it. The survey should take you approximately 10 minutes to complete.

When responding to the survey, please answer on behalf of the collective experiences of your organization covering the last 12 months. Please consider only your organization's experience as a AmeriCorps Grantee, and not with any other programs with which your organization may be affiliated. If the survey asks about an experience that you are not that familiar with--please feel free to ask a colleague for assistance. We are very pleased about this opportunity to collaborate with you on such an important matter.

Survey Instructions

Should you encounter any technical difficulties while taking the survey, please send an email to survey@cfigroup.com and you will be contacted with assistance. When moving through the survey please use the navigation buttons (below the survey text and questions) rather than your browser's "navigation bar". After entering your responses on each page, please click on the "NEXT" button at the bottom of the page until you reach the end of the questionnaire. If you have not experienced a particular area included in the survey, please enter your response in the last column under "DK/NA" for "Don't Know" or "Not Applicable." In order for your responses to be counted, please press the "Finish" button on the final page upon completion of the survey. [If you would like to speak to someone directly at the Corporation for National and Community Service about this survey, please contact...](#)

The survey is authorized by Office and Management and Budget Control No. _____. Every effort will be made to maintain the privacy and confidentiality of respondents. Please know that your responses to this data collection will be used only for purposes of this research. The reports prepared for this study will summarize findings across the sample and will not associate responses with a specific organization or individual. We will not provide information that identifies individuals or their grants and locations to anyone outside the study team, except as required by law. The confidentiality procedures adopted for this study during data collection, data processing, and analysis will consist of the items below:

- All respondents will be assured that participation in the study is voluntary and the information they provide is confidential and will be used only for the purpose of conducting this research.
- To ensure data security, all individuals hired by the Corporation's contractor, are held to strict standards and are required to sign an oath of confidentiality as a condition of employment.
- Hard-copy data collection forms will be delivered to a locked area for receipt and processing. The CFI Group maintains restricted access to all data preparation areas (receipt, coding, and data entry). All data files on multi-user systems will be under the control of a database manager, with access limited to project staff on a "need-to-know" basis only.
- Individuals identifying information will be maintained separately from completed data collection forms and from computerized data files used for analysis. No respondent identifiers will be contained in public use files made available from the study, and no data will be released in a form that identifies individual corps staff, service providers, service participants, or other survey respondents.

Thank you in advance for your participation.
