Where to File.

You have the option of filing this paper form at the Los Angeles, California, Lockbox facility (see address below), or you may file it electronically by using the internet.

Replacing a Card That Was Never Received. If you are filing this application to replace a permanent resident card that was never received, you should do the following:

1. Prepare another Form I-90. On the first page of the form, under **Part 2, Application type., Number 2, Reason for application**, check box **b** that reads: "My authorized card was never received." Include any documents with your application that support your claim.
2. When completed, mail your application to the USCIS service center or National Benefits Center (NBC) that processed your Form I-551 permanent resident card or previously filed Form I-90 application.

To find the service center or NBC mailing address, refer to the Form I-797, Notice of Action, and/or e-Filing confirmation receipt that you received for your previously filed Form I-485 (adjustment of status), I-751 (removal of conditions) or I-90 application. In addition to the new Form I-90 application, you should send a copy of the Form I-797 and/or e-Filing confirmation receipt issued for your previously filed application.

NOTE: Form I-90 applications with reason **b** checked (My authorized card was never received.) do not require the application base fee or biometrics fee.

Replacing a Card That Was Issued With Incorrect Data on Account of a USCIS Error. If you are submitting your application because of this situation, you should do the following:

1. Prepare another Form I-90 application. On the first page of the form, under **Part 2., Application type., Number 2, Reason for application**, check box **d** that reads: "My card was issued with incorrect information because of a USCIS administrative error." Include any documents with your application that support your claim.

2. When completed, mail your application to the USCIS service center or NBC that processed your previously filed Form I-485, I-751 or I-90 application.

To find the service center or NBC mailing address, refer to the USCIS letter that came with your Form I-551 permanent resident card, also known as the "Green Card." The letter lists the address of the service center or NBC that processed your previously filed Form I-485, I-751 or I-90 application. The service center or NBC address can also be found on the Form I-797 issued for your previously filed Form I-485, I-751 or I-90 application.

In addition, applicants are required to submit the original Form I-551 card containing incorrect information that supports the requested correction.

Form I-90 applications submitted with reason **d** checked (My card was issued with incorrect information because of a USCIS administrative error.) do not require the application base fee or biometrics fee.

NOTE: While many of our customers are eligible to e-file, there are restrictions for some applicants. Please check our website at www.uscis.gov for a list of who is eligible to e-file this form and for instructions on how to properly complete and submit the form.

If you choose to file this paper version of the form, you must include a check or money order with the application to pay the appropriate fees.

After filing your application, USCIS will inform you in writing when to go to your local USCIS Application Support Center (ASC) for your biometrics appointment.

NOTE: Do not include any initial evidence when submitting your application for reasons other than **b** or **d** under Part 2., Application type, Number 2, Reason for Application. See detailed instructions on **Page 1** beginning in the second paragraph under this section titled, **Where Should You File the Application?**

You must submit all required initial evidence, including your prior permanent resident card or other evidence of identity, and any supporting documentation when you appear in person at your local ASC.

Biometrics Requirement.

If you have reached your 14th birthday since your card was issued, additional fingerprints will be taken. You no longer need to submit photographs with the Form I-90. When you file your Form I-90, USCIS will notify you in writing of the time and location where you must go for the required biometrics. Failure to appear for the biometrics may result in a denial of your application.

What Is the Filing Fee.

The fee for this application is **\$290.00**.

The fee for the biometrics is **\$80.00**.

You may submit one check or money order for both the application and biometrics fees, for a total of **\$370.00**.

Exceptions. There are three exceptions to having to pay the **\$290.00** application filing fee:

1. If you are filing only because the card issued to you was incorrect due to a USCIS administrative error. However, if the error was not caused by USCIS, both application and biometrics fees are required.
2. If you are filing only because you never received your card. However, if the card was sent to the address provided and never returned to USCIS, your application will be rejected. You must file another Form I-90 application and on the first page of the form under **Application type., Number 2, Reason for application,** check box **a** that states: My card was lost, stolen or destroyed. Include both application and biometrics fees with your form.

If you are filing only to register at age 14 years, and your existing card will not expire before your 16th birthday.

1. The check or money order must be drawn on a bank or other financial institution located in the United States and must be payable in U.S. currency; and
2. Make the check or money order payable to **U.S. Department of Homeland Security**, unless:
 - A. If you live in Guam and are filing your petition there, make it payable to **Treasurer, Guam**.
 - B. If you live in the U.S. Virgin Islands and are filing your petition there, make it payable to **Commissioner of Finance of the Virgin Islands**.

NOTE: Please spell out U.S. Department of Homeland Security; do not use the initials "USDHS" or "DHS."

Notice to Those Making Payment by Check. If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep a copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to two times.

How to Check If the Fees Are Correct.

The form and biometric fees on this form are current as of the edition date appearing in the lower right corner of this page. However, because USCIS fees change periodically, you can verify if the fees are correct by following one of the steps below:

1. Visit our website at **www.uscis.gov**, select "Immigration Forms" and check the appropriate fee;
2. Review the Fee Schedule included in your form package, if you called us to request the form; or

NOTE: If your Form I-90 requires payment of a biometric service fee for USCIS to take your fingerprints, photograph or signature, you can use the same procedure to obtain the correct biometric fee.
