

CODE OF FEDERAL REGULATIONS

Title 24: Housing and Urban Development

PART 891—SUPPORTIVE HOUSING FOR THE ELDERLY AND PERSONS WITH DISABILITIES

§ 891.100 Purpose and policy.

(a) *Purpose.* The Section 202 Program of Supportive Housing for the Elderly and the Section 811 Program of Supportive Housing for Persons with Disabilities provide Federal capital advances and project rental assistance under section 202 of the Housing Act of 1959 (12 U.S.C. 1701q) (section 202) and section 811 of the National Affordable Housing Act (42 U.S.C. 8013) (section 811), respectively, for housing projects serving elderly households and persons with disabilities. Section 202 projects shall provide a range of services that are tailored to the needs of the residents. Owners of Section 811 projects shall ensure that the residents are provided with any necessary supportive services that address their individual needs.

(b) *General policy* —(1) *Supportive Housing for the Elderly.* A capital advance and contract for project rental assistance provided under this program shall be used for the purposes described in Section 202 (12 U.S.C. 1701q(b)).

(2) *Supportive Housing for Persons with Disabilities.* A capital advance and contract for project rental assistance provided under this program shall be used for the purposes described in Section 811 (42 U.S.C. 8013(b)).

(c) *Use of capital advance funds.* No part of the funds reserved may be transferred by the Sponsor, except to the Owner caused to be formed by the Sponsor. This action must be accomplished prior to issuance of a commitment for capital advance funding.

(d) *Amendments.* Subject to the availability of funds, HUD may amend the amount of an approved capital advance only after initial closing has occurred.

§ 891.105 Definitions.

The following definitions apply, as appropriate, throughout this part. Other terms with definitions unique to the particular program are defined in §§891.205, 891.305, and 891.505, as applicable.

Adjusted income as defined in part 5, subpart F of subtitle A of this title.

Affiliated entities means entities that the field office determines to be related to each other in such a manner that it is appropriate to treat them as a single entity. Such relationship shall include any identity of interest among such entities or their principals and the use by any otherwise unaffiliated entities of a single Sponsor or of Sponsors (or of a single Borrower or of Borrowers, as applicable) that have any identity of interest themselves or their principals.

Annual income as defined in part 5, subpart F of subtitle A of this title. In the case of an individual residing in an intermediate care facility for the developmentally disabled that is assisted under title XIX of the Social Security Act and this part, the annual income of the individual shall exclude protected personal income as provided under that Act. For purposes of determining the total tenant payment, the income of such individuals shall be imputed to be the amount that the household would receive if assisted under title XVI of the Social Security Act.

Household (eligible household) means an elderly or disabled household (as defined in §§891.205 or 891.305, respectively), as applicable, that meets the project occupancy requirements approved by HUD and, if the household occupies an assisted unit, meets the very low-income requirements described in §813.102 of this chapter, as modified by the definition of annual income in this section.

Housing and related facilities means rental housing structures constructed, rehabilitated, or acquired as permanent residences for use by elderly or disabled households, as applicable. The term includes necessary community space. Except for intermediate care facilities for individuals with developmental disabilities, this term does not include nursing homes, hospitals, intermediate care facilities, or transitional care facilities. For the Loans for the Elderly and Persons with Disabilities Program, see §891.505.

Low-income families shall have the same meaning provided in section 3(b)(2) of the United States Housing Act of 1937 (42 U.S.C. 1437a).

National Sponsor means a Sponsor that has one or more Section 202 or one or more Section 811 project(s) under reservation, construction, or management in two or more different HUD geographical regions.

Operating costs means HUD-approved expenses related to the provision of housing and includes:

- (1) Administrative expenses, including salary and management expenses related to the provision of shelter and, in the case of the Section 202 Program, the coordination of services;
- (2) Maintenance expenses, including routine and minor repairs and groundskeeping;
- (3) Security expenses;
- (4) Utilities expenses, including gas, oil, electricity, water, sewer, trash removal, and extermination services. The term “ *operating costs* ” excludes telephone services for households;
- (5) Taxes and insurance;
- (6) Allowances for reserves; and
- (7) Allowances for services (in the Section 202 Program only).

Project rental assistance contract (PRAC) means the contract entered into by the Owner and HUD setting forth the rights and duties of the parties with respect to the project and the payments under the PRAC.

Project rental assistance payment means the payment made by HUD to the Owner for assisted units as provided in the PRAC. The payment is the difference between the total tenant payment and the HUD-approved per unit operating expenses except for expenses related to items not eligible under design and cost provisions. An additional payment is made to a household occupying an assisted unit when the utility allowance is greater than the total tenant payment. A project rental assistance payment, known as a “vacancy payment,” may be made to the Owner when an assisted unit is vacant, in accordance with the terms of the PRAC.

Rehabilitation means the improvement of the condition of a property from deteriorated or substandard to good condition. Rehabilitation may vary in degree from the gutting and extensive reconstruction to the cure of substantial accumulation of deferred maintenance. Cosmetic improvements alone do not qualify as rehabilitation under this definition. Rehabilitation may also include renovation, alteration, or remodeling for the conversion or adaptation of structurally sound property to the design and condition required for use under this part, or the repair or replacement of major building systems or components in danger of failure. Improvement of an existing structure must require 15 percent or more of the estimated development cost to rehabilitate the project to a useful life of 55 years.

Replacement reserve account means a project account into which funds are deposited, which may be used only with the approval of the Secretary for repairs, replacement, capital improvements to the section 202 or section 811 units, and retrofitting to reduce the number of units as provided by 24 CFR 891.405(d).

Section 202 means section 202 of the Housing Act of 1959 (12 U.S.C. 1701q), as amended, or the Supportive Housing for the Elderly Program authorized by that section.

Section 811 means section 811 of the National Affordable Housing Act (42 U.S.C. 8013), as amended, or the Supportive Housing for Persons with Disabilities Program authorized by that section.

Start-up expenses mean necessary costs (to plan a Section 202 or Section 811 project, as applicable) incurred by the Sponsor or Owner prior to initial closing.

Tenant payment to Owner equals total tenant payment less utility allowance, if any.

Total tenant payment means the monthly amount defined in, and determined in accordance with part 5, subpart F of subtitle A of this title.

Utility allowance is defined in part 5, subpart F of this subtitle A of this title and is determined or approved by HUD.

Very low-income families shall have the same meaning provided in section 3(b)(2) of the United States Housing Act of 1937 (42 U.S.C. 1437a).

[61 FR 11956, Mar. 22, 1996, as amended at 66 FR 6225, Jan. 19, 2001; 66 FR 8175, Jan. 30, 2001; 68 FR 67320, Dec. 1, 2003; 70 FR 54209, Sept. 13, 2005]

§ 891.110 Allocation of authority.

In accordance with 24 CFR part 791, the Assistant Secretary will separately allocate the amounts available for capital advances for the development of housing for elderly households and for disabled households, less amounts set aside by Congress for specific types of projects, and for amendments of fund reservations made in prior years, for technical assistance, and for other contracted services.

§ 891.115 Notice of funding availability.

Following an allocation of authority under §891.110, HUD shall publish a separate Notice of Funding Availability (NOFA) for the Section 202 Program of Supportive Housing for the Elderly and for the Section 811 Program of Supportive Housing for Persons with Disabilities in the Federal Register. The NOFAs will contain specific information on how and when to apply for the available capital advance authority, the contents of the application, and the selection process.

§ 891.120 Project design and cost standards.

In addition to the special project standards described in §§891.210 and 891.310, as applicable, the following standards apply:

(a) *Property standards.* Projects under this part must comply with HUD Minimum Property Standards, unless otherwise indicated in this part.

(b) *Accessibility requirements.* Projects under this part must comply with the Uniform Federal Accessibility Standards (See 24 CFR 40.7 for availability), section 504 of the Rehabilitation Act of 1973 and HUD's implementing regulations (24 CFR part 8), and for new construction multifamily housing projects, the design and construction requirements of the Fair Housing Act and HUD's implementing regulations at 24 CFR part 100. For the Section 811 Program of Supportive Housing for Persons with Disabilities, see additional accessibility requirements in §891.310(b).

(c) *Restrictions on amenities.* Projects must be modest in design. Amenities not eligible for HUD funding include individual unit balconies and decks, atriums, bowling alleys, swimming pools, saunas, jacuzzis, and dishwashers, trash compactors, and washers and dryers in individual units in supportive housing for the elderly or in independent living facilities for persons with disabilities. Sponsors may include certain excess amenities but they must pay for them from sources other than the section 202 or 811 capital advance. They must also pay for the continuing operating costs associated with any excess amenities from sources other than the Section 202 or 811 project rental assistance contract.

(d) *Smoke detectors.* After October 30, 1992, each dwelling unit must include at least one battery-operated or hard-wired smoke detector, in proper working condition, on each level of the unit.

(e) Projects under this part may have on their sites commercial facilities for the benefit of residents of the project and of the community in which the project is located, so long as the commercial facilities are not subsidized with funding under the supportive housing programs for the elderly or persons with disabilities. Such commercial facilities are considered public accommodations under Title III of the Americans with Disabilities Act and must be accessible under the requirements of that Act.

[61 FR 11956, Mar. 22, 1996, as amended at 68 FR 67320, Dec. 1, 2003]

§ 891.125 Site and neighborhood standards.

All sites must meet the following site and neighborhood requirements:

(a) The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.

(b) The site and neighborhood must be suitable from the standpoint of facilitating and furthering full compliance with the applicable provisions of Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Executive Order 11063 (27 FR 11527, 3 CFR, 1958–1963 Comp., p. 652); as amended by Executive Order 12259, (46 FR 1253, 3 CFR, 1980 Comp., p. 307)); section 504 of the Rehabilitation Act of 1973, and implementing HUD regulations.

(c) New construction sites must meet the following site and neighborhood requirements:

(1) The site must not be located in an area of minority concentration (or minority elderly concentration under the Section 202 Program) except as permitted under paragraph (c)(2) of this section, and must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to nonminority residents (or minority elderly to nonminority elderly residents, under the Section 202 Program) in the area.

(2) A project may be located in an area of minority concentration (or minority elderly concentration, under the Section 202 Program) only if:

(i) Sufficient, comparable opportunities exist for housing for minority elderly households or minority disabled households, as applicable (or minority families, for projects funded under §§891.655 through 891.790), in the income range to be served by the proposed project, outside areas of minority concentration (see paragraph (c)(3) of this section for further guidance on this criterion); or

(ii) The project is necessary to meet overriding housing needs that cannot be met in that housing market area (see paragraph (c)(4) of this section for further guidance on this criterion).

(3)(i) *Sufficient* does not require that in every locality there be an equal number of assisted units within and outside of areas of minority concentration. Rather, application of this standard should produce a reasonable distribution of assisted units each year which over a period of several years will approach an appropriate balance of housing opportunities within and outside areas of minority concentration. An appropriate balance in any jurisdiction must be determined in light of local conditions affecting the range of housing choices available for very low-income minority elderly or disabled households, as applicable (or low-income minority families, for projects funded under §§891.655 through 891.790), and in relation to the racial mix of the locality's population.

(ii) Units may be considered to be *comparable opportunities* if they have the same household type (elderly or disabled, as applicable) and tenure type (owner/renter); require approximately the same total tenant payment; serve the same income group; are located in the same housing market; and are in standard condition.

(iii) Application of this sufficient, comparable opportunities standard involves assessing the overall impact of HUD-assisted housing on the availability of housing choices for very low-income minority elderly or disabled households, as applicable (or low-income minority families, for projects funded under §§891.655 through 891.790), in and outside areas of minority concentration, and must take into account the extent to which the following factors are present, along with any other factor relevant to housing choice:

(A) A significant number of assisted housing units are available outside areas of minority concentration.

(B) There is significant integration of assisted housing projects constructed or rehabilitated in the past ten years, relative to the racial mix of the eligible population.

(C) There are racially integrated neighborhoods in the locality.

(D) Programs are operated by the locality to assist minority elderly or disabled households, as applicable (or minority families, for projects funded under §§891.655 through 891.790), that wish to find housing outside areas of minority concentration.

(E) Minority elderly or disabled households, as applicable (or minority families, for projects funded under §§891.655 through 891.790), have benefitted from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority households (or families) outside of areas of minority concentration.

(F) A significant proportion of minority elderly or disabled households, as applicable (or minority households, for projects funded under §§891.655 through 891.790), have been successful in finding units in nonminority areas under the Section 8 Certificate and Housing Voucher programs.

(G) Comparable housing opportunities have been made available outside areas of minority concentration through other programs.

(4) Application of the *overriding housing needs* criterion, for example, permits approval of sites that are an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably changing the economic character of the area (a "revitalizing area"). An *overriding housing need*, however, may not serve as the basis for determining that a site is acceptable if the only reason the need cannot otherwise be feasibly met is that discrimination on the basis of race, color, creed, sex, or national origin renders sites outside areas of minority concentration unavailable, or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.

(d) The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate, unless there is actively in progress a concerted program to remedy the undesirable conditions.

(e) The housing must be accessible to social, recreational, educational, commercial, and health facilities and services, and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted, standard housing of similar market rents.

(f) For the Section 811 Program of Supportive Housing for Persons with Disabilities, the additional site and neighborhood requirements in §891.320 apply.

§ 891.130 Prohibited relationships.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as to loans financed under §§891.655 through 891.790.

(a) *Conflicts of interest.* (1) Officers and Board members of either the Sponsor or the Owner (or Borrower, as applicable) may not have any financial interest in any contract with the Owner or in any firm which has a contract with the Owner. This restriction applies so long as the individual is serving on the Board and for a period of three years following resignation or final closing, whichever occurs later.

(2) The following contracts between the Owner (or Borrower, as applicable) and the Sponsor or the Sponsor's nonprofit affiliate will not constitute a conflict of interest if no more than two persons salaried by the Sponsor or management affiliate serve as nonvoting directors on the Owner's board of directors:

(i) Management contracts (including associated management fees);

(ii) Supportive services contracts (including service fees) under the Supportive Housing for the Elderly Program; and

(iii) Developer (consultant) contracts.

(b) *Identity of interest.* An identity of interest between the Sponsor or Owner (or Borrower, as applicable) and any development team member or between development team members is prohibited until two years after final closing.

(c) *Mixed-finance projects.* Section 891.832 of this part applies to mixed-finance projects for the elderly and for persons with disabilities.

[61 FR 11956, Mar. 22, 1996, as amended at 70 FR 54209, Sept. 13, 2005]

§ 891.135 Amount and terms of capital advances.

(a) *Amount of capital advances.* The amount of capital advances approved shall be the amount stated in the notification of fund reservation, including any adjustment required by HUD before the final closing. The amount of the capital advance may not exceed the appropriate development cost limit.

(b) *Estimated development cost.* The amount of the capital advance may not exceed the total estimated development cost of the project (as determined by HUD), less the incremental development cost associated with excess amenities and design features to be paid for by the Sponsor under §891.120.

§ 891.140 Development cost limits.

(a) HUD shall use the development cost limits, established by Notice in the Federal Register and adjusted by locality, to calculate the fund reservation amount of the capital advance to be made available to individual Owners. Owners that incur actual development costs that are less than the amount of the initial fund reservation shall be entitled to retain 50 percent of the savings in a Replacement Reserve Account. Such percentage shall be increased to 75 percent for Owners that add energy efficiency features.

(b) The Replacement Reserve Account established under paragraph (a) of this section may only be used for repairs, replacements, and capital improvements to the project.

§ 891.145 Owner deposit (Minimum Capital Investment).

As a Minimum Capital Investment, the Owner must deposit in a special escrow account one-half of one percent (0.5%) of the HUD-approved capital advance, not to exceed \$10,000, to assure the Owner's commitment to the housing. Under the Section 202 Program, if an Owner has a National Sponsor or a National Co-Sponsor, the Minimum Capital Investment shall be one-half of one percent (0.5%) of the HUD-approved capital advance, not to exceed \$25,000.

§ 891.150 Operating cost standards.

HUD shall establish operating cost standards based on the average annual operating cost of comparable housing for the elderly or for persons with disabilities in each field office, and shall adjust the standard annually based on appropriate indices of increases in housing costs such as the Consumer Price Index. The operating cost standards shall be developed based on the number of units. However, under the Section 811 Program and for projects funded under §§891.655 through 891.790, the operating cost standard for group homes shall be based on the number of residents. HUD may adjust the operating cost standard applicable to an approved project to reflect such factors as differences in costs based on location within the field office jurisdiction. The operating cost standard will be used to determine the amount of the project assistance initially reserved for a project.

§ 891.155 Other Federal requirements.

In addition to the requirements set forth in 24 CFR part 5, the following requirements in this §891.155 apply to the Section 202 and Section 811 Programs, as well as projects funded under §§891.655 through 891.790. Other requirements unique to a particular program are described in subparts B and C of this part, as applicable.

(a) *Affirmative fair housing marketing.* (1) The affirmative fair housing marketing requirements of 24 CFR part 200, subpart M and the implementing regulations at 24 CFR part 108; and

(2) The fair housing advertising and poster guidelines at 24 CFR parts 109 and 110.

(b) *Environmental.* The National Environmental Policy Act of 1969, HUD's implementing regulations at 24 CFR part 50, including the related authorities described in 24 CFR 50.4. For the purposes of Executive Order No. 11988, Floodplain Management (42 FR 26951, 3 CFR, 1977 Comp., p. 117); as amended by Executive Order 12148 (44 FR 43239, 3 CFR, 1979 Comp., p. 412)), and implementing regulations in 24 CFR part 55, all applications for intermediate care facilities for persons with developmental disabilities shall be treated as critical actions requiring consideration of the 500-year floodplain.

(c) *Flood insurance.* The Flood Disaster Protection Act of 1973 (42 U.S.C. 4001).

(d) *Labor standards.* (1) All laborers and mechanics (other than volunteers under the conditions set out in 24 CFR part 70) employed by contractors and subcontractors in the construction (including rehabilitation) of housing with 12 or more units assisted under this part shall be paid wages at rates not less than those prevailing in the locality, as determined by the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. 276a–276a–5). A group home for persons with disabilities is not covered by the labor standards.

(2) Contracts involving employment of laborers and mechanics shall be subject to the provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333).

(3) Sponsors, Owners, contractors, and subcontractors must comply with all related rules, regulations, and requirements.

(e) *Displacement, relocation, and real property acquisition* —(1) *Minimizing displacement.* Consistent with the other goals and objectives of this part, Sponsors and Owners (or Borrowers, if applicable) shall assure that they have taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms) as a result of a project assisted under this part.

(2) *Relocation assistance for displaced persons.* A displaced person must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4201–4655), as implemented by 49 CFR part 24.

(3) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(f) *Intergovernmental review.* The requirements for intergovernmental review in Executive Order No. 12372 (47 FR 30959, 3 CFR, 1982 Comp., p. 197; as amended by Executive Order No. 12416 (48 FR 15587, 3 CFR, 1983 Comp., p. 186)) and the implementing regulations at 24 CFR part 52 are applicable to this program.

(g) *Lead-based paint.* The requirements of the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821–4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. 4851–4856), and implementing regulations at part 35, subparts A, B, H, J, and R of this title apply to these programs.

[61 FR 11956, Mar. 22, 1996, as amended at 64 FR 50227, Sept. 15, 1999; 69 FR 34275, June 21, 2004]

§ 891.160 Audit requirements.

Nonprofits receiving assistance under this part are subject to the audit requirements in 24 CFR part 45.

§ 891.165 Duration of capital advance.

The duration of the fund reservation for the capital advance is 18 months from the date of issuance with limited exceptions up to 24 months, as approved by HUD on a case-by-case basis.

§ 891.170 Repayment of capital advance.

(a) *Interest prohibition and repayment.* A capital advance provided under this part shall bear no interest and its repayment shall not be required so long as the housing project remains available for very low-income elderly families or persons with disabilities, as applicable, in accordance with this part. The capital advance may not be repaid to extinguish the requirements of this part. To ensure its interest in the capital advance, HUD shall require a note and mortgage, use agreement, capital advance agreement and regulatory agreement from the Owner in a form to be prescribed by HUD.

(b) The transfer of physical and financial assets of any project under this part is prohibited, unless HUD gives prior written approval. Approval for transfer will not be granted unless HUD determines that the transfer to a private nonprofit corporation, consumer cooperative (under the Section 202 Program), a nonprofit organization (under the Section 811 Program), or an organization meeting the definition of "mixed-finance owner" in §891.805 of this part, is part of a transaction that will ensure the continued operation of the project for not less than 40 years (from the date of original closing) in a manner that will provide rental housing for very low-income elderly persons or persons with disabilities, as applicable, on terms at least as advantageous to existing and future tenants as the terms required by the original capital advance.

[61 FR 11956, Mar. 22, 1996, as amended at 70 FR 54209, Sept. 13, 2005]

§ 891.175 Technical assistance.

For purposes of the Section 202 Program and the Section 811 Program, the Secretary shall make available appropriate technical assistance to assure that applicants having limited resources, particularly minority applicants, are able to participate more fully in the programs.

§ 891.180 Physical condition standards; physical inspection requirements.

Housing assisted under this part must be maintained and inspected in accordance with the requirements in 24 CFR part 5, subpart G.

[63 FR 46580, Sept. 1, 1998]

§ 891.185 Preemption of rent control laws.

The Department finds that it is necessary and desirable to assist project owners to preserve the continued viability of each project assisted under this part (except subpart E) as a housing resource for very low-income elderly persons or persons with disabilities. The Department also finds that it is necessary to protect the substantial economic interest of the Federal Government in those projects. Therefore, the Department concludes that it is in the national interest to preempt, and it does hereby preempt, the entire field of rent regulation by local rent control boards or other authority acting pursuant to state or local law as it affects those projects. Part 246 of this title applies to projects covered by subpart E of this part.

[63 FR 64803, Nov. 23, 1998]

Subpart D—Project Management

§ 891.400 Responsibilities of owner.

(a) *Marketing.* (1) The Owner must commence and continue diligent marketing activities not later than 90 days before the anticipated date of availability of the first unit or occupancy of the group home. Market activities shall include the provision of notices of the availability of housing under the program to operators of temporary housing for the homeless in the same housing market.

(2) Marketing must be done in accordance with a HUD-approved affirmative fair housing marketing plan and all Federal, State or local fair housing and equal opportunity requirements. The purpose of the plan and requirements is to achieve a condition in which eligible households of similar income levels in the same housing market area have a like range of housing choices available to them regardless of discriminatory considerations such as their race, color, creed, religion, familial status, disability, sex or national origin.

(3) At the time of PRAC execution, the Owner must submit to HUD a list of leased and unleased assisted units (or in the case of a group home, leased and unleased residential spaces) with a justification for the unleased units or residential spaces, in order to qualify for vacancy payments for the unleased units or residential spaces.

(b) *Management and maintenance.* The Owner is responsible for all management functions. These functions include selection and admission of tenants, required reexaminations of incomes for households occupying assisted units or residential spaces, collection of tenant payments, termination of tenancy and eviction, and all repair and maintenance functions (including ordinary and extraordinary maintenance and replacement of capital items). All functions must be performed in compliance with equal opportunity requirements.

(c) *Contracting for services.* (1) With HUD approval, the Owner may contract with a private or public entity for performance of the services or duties required in paragraphs (a) and (b) of this section. However, such an arrangement does not relieve the Owner of responsibility for these services and duties. All such contracts are subject to the restrictions governing prohibited contractual relationships described in §891.130. (These prohibitions do not extend to management contracts entered into by the Owner with the Sponsor or its nonprofit affiliate.)

(2) Consistent with the objectives of Executive Order No. 11625 (36 FR 19967, 3 CFR, 1971–1975 Comp., p. 616; as amended by Executive Order No. 12007 (42 FR 42839, 3 CFR, 1977 Comp., p. 139)); Executive Order No. 12432 (48 FR 32551, 3 CFR, 1983 Comp., p. 198); and Executive Order No. 12138 (44 FR 29637, 3 CFR, 1979 Comp., p. 393; as amended by Executive Order No. 12608 (52 FR 34617, 3 CFR, 1987 Comp., p. 245)), the Owner will promote awareness and participation of minority and women's business enterprises in contracting and procurement activities.

(d) *Submission of financial and operating statements.* The Owner must submit to HUD:

(1) Within 60 days after the end of each fiscal year of project operations, financial statements for the project audited by an independent public accountant and in the form required by HUD; and

(2) Other statements regarding project operation, financial conditions and occupancy as HUD may require to administer the PRAC and to monitor project operations.

(e) *Use of project funds.* The Owner shall maintain a separate interest bearing project fund account in a depository or depositories which are members of the Federal Deposit Insurance Corporation or National Credit Union Share Insurance Fund and shall deposit all tenant payments, charges, income and revenues arising from project operation or ownership to this account. All project funds are to be deposited in Federally insured accounts. All balances shall be fully insured at all times, to the maximum extent possible. Project funds must be used for the operation of the project (including required insurance coverage), and to make required deposits to the replacement reserve under §891.405, in accordance with HUD-approved budget. Any remaining project funds in the project funds account (including earned interest) following the expiration of the fiscal year shall be deposited in a Federally-insured residual receipts account within 60 days following the end of the fiscal year. Withdrawals from this account may be made only for project purposes and with the approval of HUD. If there are funds remaining in the residual receipts account when the mortgage is satisfied, such funds shall be returned to HUD.

(f) *Reports.* The Owner shall submit such reports as HUD may prescribe to demonstrate compliance with applicable civil rights and equal opportunity requirements. See §891.410(a).

(Approved by the Office of Management and Budget under control number 2502–0470)

§ 891.405 Replacement reserve.

(a) *Establishment of reserve.* The Owner shall establish and maintain a replacement reserve to aid in funding extraordinary maintenance and repair and replacement of capital items.

(b) *Deposits to reserve.* The Owner shall make monthly deposits to the replacement reserve in an amount determined by HUD.

(c) *Level of reserve.* The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. Should the reserve reach that level, the amount of the deposit to the reserve may be reduced with the approval of HUD.

(d) *Administration of reserve.* Replacement reserve funds must be deposited with HUD or in a Federally-insured depository in an interest-bearing account(s) whose balances(s) are fully insured at all times. All earnings including interest on the reserve must be added to the reserve. Funds may be drawn from the reserve and used only in accordance with HUD guidelines and with the approval of, or as directed by, HUD. With HUD approval, reserves may be used to reduce the number of dwelling units, provided that the purpose for the reduction is the retrofitting of obsolete or unmarketable units.

§ 891.410 Selection and admission of tenants.

(a) *Written procedures.* The Owner shall adopt written tenant selection procedures that ensure nondiscrimination in the selection of tenants and that are consistent with the purpose of improving housing opportunities for very low-income elderly persons and persons with disabilities (as applicable); and reasonably related to program eligibility and an applicant's ability to perform the obligations of the lease. Owners shall promptly inform in writing any rejected applicant of the grounds for any rejection. Additionally, Owners shall maintain a written, chronological waiting list showing the name, race, gender, ethnicity, and date of each person applying for the program.

(b) *Application for admission.* The Owner must accept applications for admission to the project in the form prescribed by HUD, and (under the Section 202 Program only) is obligated to confirm all information provided by applicant families on the application. Applicant households applying for assisted units (or residential spaces in a group home) must complete a certification of eligibility as part of the application for admission. Applicant households must meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B. Applicant families must sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B. Both the Owner and the applicant household must complete and sign the application for admission. On request, the Owner must furnish copies of all applications for admission to HUD.

(c) *Determination of eligibility and selection of tenants.* (1) The Owner is responsible for determining whether applicants are eligible for admission and for the selection of households. To be eligible for admission, an applicant must be an elderly person or a person with disabilities, as applicable (as defined in §§891.205 and 891.305, respectively); must meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B; must sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B; and must be a very low-income family, as defined in §891.105.

(2) Under the Section 811 Program:

(i) In order to be eligible for admission, the applicant must also meet any project occupancy requirements approved by HUD.

(ii) Owners shall make selections in a nondiscriminatory manner without regard to considerations such as race, religion, color, sex, national origin, familial status, or disability. An Owner may, with the approval of the Secretary, limit occupancy within housing developed under this part 891 to persons with disabilities who have similar disabilities and require a similar set of supportive services in a supportive housing environment. However, the Owner must permit occupancy by any qualified person with a disability who could benefit from the housing and/or services provided regardless of the person's disability.

(d) *Unit assignment.* If the Owner determines that the household is eligible and is otherwise acceptable and units (or residential spaces in a group home) are available, the Owner will assign the household a unit or residential space in a group home. If the household will occupy an assisted unit, the Owner will assign the household a unit of the appropriate size in accordance with HUD's general occupancy guidelines. If no suitable unit (or residential space in a group home) is available, the Owner will place the household on a waiting list for the project and notify the household when a suitable unit or residential space may become available. If the waiting list is so long that the applicant would not be likely to be admitted for the next 12 months, the Owner may advise the applicant that no additional applications for admission are being considered for that reason.

(e) *Ineligibility determination.* If the Owner determines that an applicant is ineligible for admission or the Owner is not selecting the applicant for other reasons, the Owner will promptly notify the applicant in writing of the determination, the reasons for the determination, and the applicant's right to request a meeting to review the rejection, in accordance with HUD requirements. The review, if requested, may not be conducted by a member of the Owner's staff who made the initial decision to reject the applicant. The applicant may also exercise other rights (e.g., rights granted under Federal, State or local civil rights laws) if the applicant believes he or she is being discriminated against on a prohibited basis.

(f) *Records.* Records on applicants and approved eligible households, which provide racial, ethnic, gender and place of previous residency data required by HUD, must be retained for three years. See §891.410(a).

(g) *Reexamination of household family income and composition —(1) Regular reexaminations.* The Owner must reexamine the income and composition of the household at least every 12 months. Upon verification of the information, the Owner must make appropriate adjustments in the total tenant payment in accordance with part 813 of this chapter, as modified by §891.105, and must determine whether the household's unit size is still appropriate. The Owner must adjust tenant payment and the project rental assistance payment, and must carry out any unit transfer in accordance with HUD standards. At the time of reexamination under paragraph (g)(1) of this section, the Owner must require the household to meet the disclosure and verification requirements for Social Security Numbers, as provided by 24 CFR part 5, subpart B. For requirements regarding the signing and submitting of consent forms by families for obtaining of wage and claim information from State Wage Information Collection Agencies, see 24 CFR part 5, subpart B.

(2) *Interim reexaminations.* The household must comply with the provisions in its lease regarding interim reporting of changes in income. If the Owner receives information concerning a change in the household's income or other circumstances between regularly scheduled reexaminations, the Owner must consult with the household and make any adjustments determined to be appropriate. See 24 CFR part 5, subpart B for the requirements for the disclosure and verification of Social Security Number at interim reexaminations involving new household members. For requirements regarding the signing and submitting of consent forms by families for the obtaining of wage and claim information from State Wage Information Collection Agencies, see 24 CFR part 5, subpart B. Any change in the household's income or other circumstances that result in an adjustment in the total tenant payment, tenant payment, and project rental assistance payment must be verified.

(3) *Continuation of project rental assistance payment.* (i) A household shall remain eligible for project rental assistance payment until the total tenant payment equals or exceeds the gross rent (or a pro rata share of the gross rent in a group home). The termination of subsidy eligibility will not affect the household's other rights under its lease. Project rental assistance payment may be resumed if, as a result of changes in income, rent or other relevant circumstances during the term of the PRAC, the household meets the income

eligibility requirements of 24 CFR part 813 (as modified in §891.105) and project rental assistance is available for the unit or residential space under the terms of the PRAC. The household will not be required to establish its eligibility for admission to the project under the remaining requirements of paragraph (c) of this section.

(ii) A household's eligibility for project rental assistance payment may be terminated in accordance with HUD requirements for such reasons as failure to submit requested verification information, including information related to disclosure and verification of Social Security Numbers, as provided by 24 CFR part 5, subpart B or failure to sign and submit consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies (as provided by 24 CFR part 5, subpart B).

§ 891.415 Obligations of the household or family.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part.

(a) *Requirements.* The household (or family, as applicable) shall:

- (1) Pay amounts due under the lease directly to the Owner (or Borrower, as applicable);
- (2) Supply such certification, release of information, consent, completed forms or documentation as the Owner (or Borrower, as applicable) or HUD determines necessary, including information and documentation relating to the disclosure and verification of Social Security Numbers, as provided by 24 CFR part 5, subpart B, and the signing and submission of consent forms for the obtaining of wage and claim information from State Wage Information Collection Agencies, as provided by 24 CFR part 5, subpart B;
- (3) Allow the Owner (or Borrower, as applicable) to inspect the dwelling unit or residential space at reasonable times and after reasonable notice;
- (4) Notify the Owner (or Borrower, as applicable) before vacating the dwelling unit or residential space; and
- (5) Use the dwelling unit or residential space solely for residence by the household (or family, as applicable) and as the household's (or family's) principal place of residence.

(b) *Prohibitions.* The household (or family, as applicable) shall not:

- (1) Assign the lease or transfer the unit or residential space; or
- (2) Occupy, or receive assistance for the occupancy of, a unit or residential space governed under this part 891 while occupying, or receiving assistance for the occupancy of, another unit assisted under any Federal housing assistance program, including any section 8 program.

(Approved by the Office of Management and Budget under control number 2502-0470)

§ 891.420 Overcrowded and underoccupied units.

If the Owner determines that because of change in household size, an assisted unit is smaller than appropriate for the eligible household to which it is leased, or that the assisted unit is larger than appropriate, project rental assistance payment with respect to the unit will not be reduced or terminated until the eligible household has been relocated to an appropriate alternate unit. If possible, the Owner will, as promptly as possible, offer the household an appropriate alternate unit. The Owner may receive vacancy payments for the vacated unit if the Owner complies with the requirements of §891.445.

§ 891.425 Lease requirements.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part.

(a) *Term of lease.* The term of the lease may not be less than one year. Unless the lease has been terminated by appropriate action, upon expiration of the lease term, the household and Owner (or family and Borrower, as applicable) may execute a new lease for a term not less than one year, or may take no action. If no action is taken, the lease will automatically be renewed for successive terms of one month.

(b) *Termination by the household (or family, as applicable)*. All leases may contain a provision that permits the household (or family) to terminate the lease upon 30 days advance notice. A lease for a term that exceeds one year must contain such provision.

(c) *Form*. The Owner (or Borrower, as applicable) shall use the lease form prescribed by HUD. In addition to required provisions of the lease form, the Owner (or Borrower) may include a provision in the lease permitting the Owner (or Borrower) to enter the leased premises at any time without advance notice when there is reasonable cause to believe that an emergency exists or that health or safety of a family member is endangered.

§ 891.430 Denial of admission, termination of tenancy, and modification of lease.

(a) The provisions of part 5, subpart I, of this title apply to Section 202 and Section 811 capital advance projects.

(b) The provisions of part 247 of this title apply to all decisions by an owner to terminate the tenancy or modify the lease of a household residing in a unit (or residential space in a group home).

[66 FR 28798, May 24, 2001]

§ 891.435 Security deposits.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part. For loans financed under subpart E of this part, the requirements in §891.635 also apply.

(a) *Collection of security deposits*. At the time of the initial execution of the lease, the Owner (or Borrower, as applicable) will require each household (or family, as applicable) occupying an assisted unit or residential space in a group home to pay a security deposit in an amount equal to one month's tenant payment or \$50, whichever is greater. The household (or family) is expected to pay the security deposit from its own resources and other available public or private resources. The Owner (or Borrower) may collect the security deposit on an installment basis.

(b) *Security deposit provisions applicable to units* —(1) *Administration of security deposit*. The Owner (or Borrower, as applicable) must place the security deposits in a segregated interest-bearing account. The amount of the segregated, interest-bearing account maintained by the Owner (or Borrower) must at all times equal the total amount collected from the households (or families, as applicable) then in occupancy plus any accrued interest and less allowable administrative cost adjustments. The Owner (or Borrower) must comply with any applicable State and local laws concerning interest payments on security deposits.

(2) *Household (or family, as applicable) notification requirement*. In order to be considered for the refund of the security deposit, a household (or family) must provide the Owner (or Borrower, as applicable) with a forwarding address or arrange to pick up the refund.

(3) *Use of security deposit*. The Owner (or Borrower, as applicable), subject to State and local law and the requirements of paragraphs (b)(1) and (b)(3) of this section, may use the household's (or family's, as applicable) security deposit balance as reimbursement for any unpaid amounts that the household (or family) owes under the lease. Within 30 days (or shorter time if required by State or local law) after receiving notification under paragraph (b)(2) of this section, the Owner (or Borrower) must:

(i) Refund to a household (or family) that does not owe any amount under the lease the full amount of the household's (or family's) security deposit balance;

(ii) Provide to a household (or family) owing amounts under the lease a list itemizing each amount, along with a statement of the household's (or family's) rights under State and local law. If the amount that the Owner (or Borrower) claims is owed by the household (or family) is less than the amount of the household's (or family's) security deposit balance, the Owner (or Borrower) must refund the excess balance to the household (or family). If the Owner (or Borrower) fails to provide the list, the household (or family) will be entitled to the refund of the full amount of the household's (or family's) security deposit balance.

(4) *Disagreements*. If a disagreement arises concerning reimbursement of the security deposit, the household (or family, if applicable) will have the right to present objections to the Owner (or Borrower, if applicable) in an informal meeting. The Owner (or Borrower) must keep a record of any disagreements and meetings in a tenant file for inspection by HUD. The procedures of this paragraph do not preclude the household (or family) from exercising its rights under State or local law.

(5) *Decedent's interest in security deposit*. Upon the death of a member of a household (or family, as applicable), the decedent's interest, if any, in the security deposit will be governed by State or local law.

(c) *Reimbursement by HUD for assisted units*. If the household's (or family's, if applicable) security deposit balance is insufficient to reimburse the Owner (or Borrower, if applicable) for any amount that the household (or family) owes under the lease for an assisted unit or residential space, and the Owner (or Borrower) has provided the household (or family) with the list required by paragraph (b)(3)(ii) of this section, the Owner (or Borrower) may claim reimbursement from HUD for an amount not to exceed the lesser of:

(1) The amount owed the Owner (or Borrower); or

(2) One month's per unit operating cost (or contract rent, if applicable), minus the amount of the household's (or family's) security deposit balance. Any reimbursement under this section will be applied first toward any unpaid tenant payment (or rent, if applicable) due under the lease. No reimbursement may be claimed for any unpaid tenant payment (or rent) for the period after termination of the tenancy. The Owner (or Borrower) may be eligible for vacancy payments following a vacancy in accordance with the requirements of §891.445 (or §§891.650 or 891.790, as applicable).

§ 891.440 Adjustment of utility allowances.

This section shall apply to projects funded under the Section 202 Program, to independent living complexes funded under Section 811 Program, and to projects financed with loans under subpart E of this part. The Owner (or Borrower, as applicable) must submit an analysis of any utility allowances applicable. Such data as changes in utility rates and other facts affecting utility consumption should be provided as part of this analysis to permit appropriate adjustments in the utility allowances for assisted units. In addition, when utility rate changes would result in a cumulative increase of 10 percent or more in the most recently approved utility allowances, the Owner (or Borrower) must advise HUD and request approval of new utility allowances. Whenever a utility allowance for an assisted unit is adjusted, the Owner (or Borrower) will promptly notify affected households (or families, as applicable) and make a corresponding adjustment of the tenant payment (or rent, as applicable) and the amount of the project rental assistance payment (or housing or project assistance payment, as applicable).

(Approved by the Office of Management and Budget under control number 2502-0470)

§ 891.445 Conditions for receipt of vacancy payments for assisted units.

(a) *General.* Vacancy payments under the PRAC will not be made unless the conditions for receipt of these project rental assistance payments set forth in this section are fulfilled.

(b) *Vacancies during rent-up.* For each unit (or residential space in a group home) that is not leased as of the effective date of the PRAC, the Owner is entitled to vacancy payments in the amount of 50 percent of the per unit operating cost (or pro rata share of the group home operating cost) for the first 60 days of vacancy, if the Owner:

(1) Conducted marketing in accordance with §891.400(a) and otherwise complied with §891.400;

(2) Has taken and continues to take all feasible actions to fill the vacancy; and

(3) Has not rejected any eligible applicant except for good cause acceptable to HUD.

(c) *Vacancies after rent-up.* If an eligible household vacates an assisted unit (or residential space in a group home) the Owner is entitled to vacancy payments in the amount of 50 percent of the approved per unit operating cost (or pro rata share of the group home operating cost) for the first 60 days of vacancy if the Owner:

(1) Certifies that it did not cause the vacancy by violating the lease, the PRAC, or any applicable law;

(2) Notified HUD of the vacancy or prospective vacancy and the reasons for the vacancy upon learning of the vacancy or prospective vacancy;

(3) Has fulfilled and continues to fulfill the requirements specified in §891.400(a) (2) and (3) and §891.445(b) (2) and (3); and

(4) For any vacancy resulting from the Owner's eviction of an eligible household, certifies that it has complied with §891.430.

(d) *Prohibition of double compensation for vacancies.* If the Owner collects payments for vacancies from other sources (tenant payment, security deposits, payments under §891.435(c), or governmental payments under other programs), the Owner shall not be entitled to collect vacancy payments to the extent these collections from other sources plus the vacancy payment exceed the approved per unit operating cost.

§ 891.450 HUD review.

HUD shall conduct periodic on-site management reviews of the Owner's compliance with the requirements of this part.
