In support of the request for an OMB clearance number under the Paperwork Reduction Act, the following two changes will be made to the previously submitted NSF Survey of Science and Engineering Research Facilities.

In accordance with the National Science Foundation Act of 1950, as amended, and other applicable Federal laws, your responses will not be disclosed in identifiable form to anyone other than agency employees or authorized persons."

2. For all questions cited in the above confidentiality pledge, the following line will be inserted above each question: "Reminder: Please see page 1 concerning the confidentiality of this item."
