

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-XXXX. The time required to complete this information collection is estimated to average 1 hour per response, including the time to review instructions, search existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Expires XX/XX/XXX.

## **Local Education Agency Telephone Forum on Direct Verification: Topics for Discussion**

### **Opening Statement to Participants**

As we indicated in the invitation to this forum, the information you provide will be used only for research purposes. Outside of this forum, your responses will not be disclosed in a way that can be identified with you, unless you provide consent.

Participation in this forum is completely voluntary. Choosing not to participate will not affect your employment or your district's participation in USDA programs in any way.

### **Questions for Discussion**

1. Was direct verification worthwhile? Why or why not?
2. What were the main challenges of implementing direct verification?
3. Are there changes in the rules for direct verification that would make it more effective or more efficient? If so, what are they?
4. What improvements in the systems or processes at the State level would make direct verification more effective and efficient?
5. If your school district uses direct verification next year, what will you do differently?
6. Is direct verification feasible for all school districts in your State? What are the differences between districts that could effectively use direct verification and those that might not do so?
