SEND ME ANOTHER QUESTIONNAIRE IN THE MAIL

Unfortunately, the time for conducting this survey by mail has passed. We need to collect your information now in order to keep to our schedule. As you answer the survey questions I will be entering the data directly into a computer, so we can process it very quickly and meet our deadlines.

I THINK THIS IS A WASTE OF TAXES!!

There are many reasons why it's definitely NOT a waste of tax dollars. Government agencies, businesses, and the general public rely on up-to-date statistics, like the information we are collecting in this survey, to make informed decisions. This survey will provide more timely information for decision makers to plan public programs for everyone in your community. It will offer more accurate, timely and detailed information whenever a community needs facts about a town or local area. It will also help businesses to evaluate a community's potential for the business to locate or expand in the community.
