

OnTheMap Version 3 Survey Email Messages

Initial Letter

The U.S. Census Bureau is currently developing the next version of OnTheMap under the Local Employment Dynamics (LED) partnership. Your opinions and ideas are important to us. We will use the findings from this study to help improve and enhance the application.

Please take 7 minutes to tell us about your experiences using OnTheMap and any suggestions you may have for future enhancements. Those who have not used the application, but who are interested in the OnTheMap data, are encouraged to participate in this study. Click the following URL to access the survey: <https://questionweb.com/25652>

For further information regarding this survey, please contact Matthew Graham at 301-763-5289.

Thank you in advance for your time and feedback.

First Reminder

Last week, you were invited to assist the U.S. Census Bureau's Local Employment Dynamics' (LED) partnership in evaluating the current OnTheMap application and providing suggestions for potential future enhancements. If you have not yet had an opportunity to respond, please complete this short survey, which should only take 7 minutes of your time and can be accessed using the link below.

Second Reminder

Approximately three weeks ago, you were invited to assist the U.S. Census Bureau's Local Employment Dynamics (LED) partnership in evaluating the current OnTheMap application and providing suggestions for potential future enhancements. If you have already responded, thank you very much for your feedback.

If you have not yet had an opportunity to respond, please complete this short survey, which should only take 7 minutes of your time and can be accessed using the link below.
