D Enrollment Grace Period/Termination

Each new enrollee in the TRICARE Retiree Dental Program must fulfill an initial enrollment period of 12 consecutive months. This initial enrollment period starts upon the coverage effective date. There is a grace period of 30 days from the coverage effective date in which the enrollee may rescind the application without any further enrollment obligation, provided no covered services have been used during that time period. To exercise the option to rescind, the enrollee must contact Delta Dental in writing within the 30-day grace period. If the option to rescind the application within the 30-day grace period is not exercised, the enrollee must remain enrolled in the program for the duration of the initial 12-month period with only limited opportunity for voluntary termination during this time. An enrollment may be terminated involuntarily prior to the end of the 12-month time period due to loss of eligibility. After the 12-month enrollment period, enrollment renewal will continue automatically on a month-to-month basis.

- Deposit of my prepayment does not guarantee coverage.
- My enrollment is subject to receipt of payment and verification of funds.
- My monthly premium payment will be automatically deducted from my retired pay, and I will be billed directly only if retired pay is not available to me or is determined to be insufficient to allow the automatic monthly deduction.
- I must remain enrolled for 12 consecutive months and if I choose to continue my enrollment beyond the initial 12-month period, my enrollment will continue on a month-to-month basis.
