Surveys**

**Substance Abuse and Mental Health Services Administration (SAMHSA)
Center for Substance Abuse Treatment (CSAT)
CSAT GPRA 30-Day Post-Training Feedback Survey**

You were selected to participate in this feedback survey because of your participation in the Center for Substance Abuse Treatment (CSAT) Government Performance and Results Act (GPRA) Training. This survey is for all who attended a CSAT GPRA Trainings for Discretionary Services grantees.

The purpose of this survey is to allow training participants to provide feedback that will help us improve the GPRA trainings. All responses to this survey will be kept confidential, and participation is voluntary. Your identity will not be connected to the information that you provide, and your information will be grouped with other respondents' information for presentation purposes. All survey results will be presented in aggregate form so that individual responses cannot be identified. We greatly value your feedback.

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0930-0197. Public reporting burden for this collection of information is estimated to average 5 minutes per client per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 1 Choke Cherry Road, Room 7-1044, Rockville, Maryland, 20857.

Thank you for taking the time to complete this survey.
